Euro Medium Term Notes Programme

Under the Euro Medium Term Note Programme (the **"Programme"**) described in this document (the **"Base Prospectus"**), EssilorLuxottica, (**"EssilorLuxottica"** or the **"Issuer"**), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the **"Notes"**). The aggregate nominal amount of Notes outstanding will not at any time exceed €12,000,000,000 (or the equivalent in other currencies) and may be denominated in certain currencies. The Notes will be issued in such denomination(s) as may be agreed between the Issuer and the relevant Dealer and as specified in the relevant Final Terms save that the minimum denomination of each Note listed and admitted to trading on a Regulated Market in a Member State of the European Economic Area in circumstances which require the publication of a Base Prospectus under the Regulation (EU) 2017/1129 (the **"Prospectus Regulation"**) (given that any exemption regime, as set out in the Prospectus Regulation, could apply in contemplation of the relevant issue) will be at least €100,000 (or the equivalent amount in any other currency).

This Base Prospectus has been approved by the Autorité des marchés financiers (the **"AMF"**), in its capacity as competent authority under the Prospectus Regulation.

The AMF only approves this Base Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of either the Issuer or the quality of the Notes that are the subject of this Base Prospectus. Investors should make their own assessment as to the suitability of investing in the Notes.

This Base Prospectus supersedes and replaces the Base Prospectus dated 23 May 2019 and shall be in force for a period of one year as of the date set out hereunder. The obligation to supplement this Base Prospectus in the event of a significant new factor, material mistake or material inaccuracy does not apply when this Base Prospectus will be no longer valid.

Application may be made to Euronext Paris for the period of 12 months from the date of the approval of this Base Prospectus by the AMF for Notes issued under the Programme to be listed and admitted to trading on Euronext Paris and/or to the competent authority of any other Member State of the European Economic Area (**"EEA"**) for Notes issued under the Programme to be listed and admitted to trading on a Regulated Market (as defined below) in such Member State. Euronext Paris is a regulated market for the purposes of the Markets in Financial Instruments Directive 2014/65/EU, as amended, appearing on the list of regulated markets issued by the European Commission and situated in a Member State of the EEA (a **"Regulated Market"**).

However, Notes that are not listed and admitted to trading on a Regulated Market may also be issued pursuant to the Programme.

The relevant final terms (the **"Final Terms"**) (a form of which is contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed and admitted to trading and, if so, the relevant Regulated Market in the EEA where the Notes will be listed and admitted to trading and will be published, if relevant, on the website of the Regulated Market where the admission to trading is sought.

Notes may be issued either in dematerialised form (**"Dematerialised Notes"**) or in materialised form (**"Materialised Notes"**), as more fully described herein.

Dematerialised Notes may, at the option of the Issuer, be (a) in bearer form (au porteur) inscribed as from the issue date in the books of Euroclear France (**"Euroclear France"**) (acting as central depository) which shall credit the accounts of Account Holders (as defined in "Terms and Conditions of the Notes - Form, Denomination(s), Title and Redenomination") including Euroclear Bank SA/NV (**"Euroclear"**) and the depository bank for Clearstream Banking, S.A. (**"Clearstream"**) or (b) in registered form (au nominatif) and, in such latter case, at the option of the relevant Noteholder (as defined in Condition 1(c)(iv)), in either fully registered form (au nominatif pur), in which case they will be inscribed either with the Issuer or with the registration agent (designated in the relevant Final

Terms) for the Issuer, or in administered registered form (au nominatif administré) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholders.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L.211-3 and R.211-1 of the French Code monétaire et financier. No physical documents of title will be issued in respect of the Dematerialised Notes.

*Materialised Notes will be in bearer form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a “**Temporary Global Certificate**”) will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Notes in bearer form with, where applicable, coupons for interest and talons attached on or after a date expected to be on or about the 40th calendar day after the issue date of the Notes (subject to postponement as described in “Temporary Global Certificates issued in respect of Materialised Bearer Notes”) upon certification as to non-U.S. beneficial ownership as more fully described herein.*

Temporary Global Certificates will (a) in the case of a Tranche (as defined below) intended to be cleared through Euroclear and/or Clearstream, be deposited on the issue date with a common depositary on behalf of Euroclear and/or Clearstream and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer (as defined below).

*The Programme has been rated A by Standard & Poor's Ratings Services (“**S&P**”) and A2 by Moody's Investors Services, Inc. (“**Moody's**”). The Issuer's long-term debt is currently rated A2 (stable outlook) by Moody's and A (stable outlook) by S&P. Each of Moody's and S&P is established in the European Union or the United Kingdom is registered under Regulation (EC) No 1060/2009 on credit rating agencies, as amended (the “**CRA Regulation**”). As such, each of Moody's and S&P is included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the European Securities and Markets Authority's website (www.esma.europa.eu/supervision/credit-rating-agencies/risk) as of the date of this Base Prospectus. Notes to be issued under the Programme may be rated or unrated. The rating, if any, will be specified in the relevant Final Terms. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating assigned to the Issuer. The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union or in the United Kingdom and registered under the CRA Regulation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.*

The final terms of the relevant Notes will be determined at the time of the offering of each Tranche based on the then prevailing market conditions and will be set out in the relevant Final Terms.

Copies of this Base Prospectus, any document containing information incorporated by reference in this Base Prospectus, any supplement to this Base Prospectus and the Final Terms related to Notes that are listed and admitted to trading on any Regulated Market in the EEA will be available for viewing on the website of the AMF (<https://www.amf-france.org>), on the Issuer's website (<https://www.essilorluxottica.com/fr/information-reglementee>) and may be obtained, during normal business hours at the specified offices of the Fiscal Agent and each of the Paying Agents (as defined herein).

Prospective investors should carefully review and consider the section of this Base Prospectus entitled “Risk Factors” prior to purchasing any Notes.

*This document constitutes a base prospectus for the purpose of the Prospectus Regulation and for the purpose of giving information with regard to the Issuer, the Issuer and its subsidiaries taken as a whole (the “**Group**”) and the Notes which, according to the particular nature of the Issuer and the Notes, contains the necessary information which is material to investors for making an informed assessment of the assets and liabilities, profit and losses, financial position, and prospects of the Issuer and the rights attaching to the Notes.*

*This Base Prospectus should be read and construed in conjunction with any supplement hereto and with any other documents incorporated by reference (see “**Documents Incorporated by Reference**”) and, each of which shall be incorporated in, and form part of this Base Prospectus in relation to any Series (as defined herein) of Notes, should be read and construed together with the Base Prospectus and the Final Terms being together, the “**Prospectus**”.*

*No person has been authorised to give any information or to make any representation other than those contained in this Base Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, or any of the Dealers or the Arranger (each as defined in the “**General Description of the Programme**”). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Group since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer or of the Group since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.*

The distribution of this Base Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. No Notes may be offered or sold, directly or indirectly, and none of this Base Prospectus, any Final Terms or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Base Prospectus comes are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restriction. In particular, there are restrictions on the distribution of this Base Prospectus and the offer or sale of Notes in the United States, the United Kingdom, Japan, France, Hong-Kong, PRC and Singapore. For a description of certain restrictions on offers and sales of Notes and distribution of this Base Prospectus, see “Subscription and Sale” below.

MIFID II PRODUCT GOVERNANCE / TARGET MARKET – *The Final Terms in respect of any Notes will include a legend entitled “MiFID II Product Governance” which will outline the target market assessment in respect of the Notes, taking into account the five (5) categories referred to in item 18 of the Guidelines published by the European Securities and Markets Authority (ESMA) on 5 February 2018 and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the target market assessment; however, a distributor subject to Directive 2014/65/EU (as amended, “**MiFID II**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.*

*A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the “**MiFID Product Governance Rules**”), any Dealer subscribing for any Notes is a manufacturer in respect of such*

Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules. For the avoidance of doubt, the Issuer is not a MiFID II regulated entity and does not qualify as a distributor or a manufacturer under MiFID Product Governance Rules.

PROHIBITION OF SALES TO EEA AND UK RETAIL INVESTORS - If the Final Terms in respect of any Notes include a legend entitled “Prohibition of Sales to EEA and UK Retail Investors”, the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA or in the United Kingdom (the “**UK**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II or (ii) a customer within the meaning of Directive 2016/97/EU (the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation (EU) 2017/1129. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.

SINGAPORE SFA PRODUCT CLASSIFICATION – In connection with Section 309B of the Securities and Futures Act (Chapter 289) of Singapore (the “**SFA**”) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “**CMP Regulations 2018**”), unless otherwise specified before an offer of Notes, the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are ‘prescribed capital markets products’ (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Notes. In particular, potential investors are warned that the tax laws of the investor’s jurisdiction or of France (the Issuer’s country of incorporation) might have an impact on the income received from the Notes. Potential investors are advised to ask for their own tax adviser’s advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor.

A number of Member States of the European Union are currently negotiating to introduce a financial transactions tax (“**FTT**”) in the scope of which transactions in the Notes may fall. The scope of any such tax is still uncertain as well as any potential timing of implementation. If the currently discussed text or any similar tax is adopted, transactions in the Notes would be subject to higher costs, and the liquidity of the market for the Notes may be diminished. Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and conditions, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

*In considering whether to invest in Notes denominated in Renminbi ("**RMB Notes**"), investors should consult their individual tax advisers with regard to the application of People's Republic of China ("**PRC**") tax laws to their particular situations as well as any tax consequences arising under the laws of any other tax jurisdictions.*

A rating assigned to the Notes by any rating agency is based on the Issuer's financial situation, but takes into account other relevant structural features of the transaction, including, inter alia, the terms of the Notes, and reflects only the views of the rating agency. The rating may not reflect the potential impact of all risks related to structure, market, additional factors discussed in this paragraph, and other factors that may affect the value of the Notes. The rating addresses the likelihood of full and timely payment to the Noteholders of all payments of interest on each interest payment date and repayment of principal on the final payment date. There is no assurance that any such rating will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by the rating agency as a result of changes in or unavailability of information or if, in the rating agency's judgement, circumstances so warrant. A credit rating and/or a corporate rating are not a recommendation to buy, sell or hold securities.

None of the Issuer, the Dealer(s) or any of their respective affiliates makes any representation as to the Inflation Indices (as defined herein). Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to the Inflation Indices that is or may be material in the context of Inflation Linked Notes. The issue of Inflation Linked Notes will not create any obligation on the part of any such persons to disclose to the Noteholders or any other party such information (whether or not confidential).

None of the Issuer, the Dealer(s) or any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer, the Dealers or the Arranger to subscribe for, or purchase, any Notes.

The Arranger and the Dealers have not separately verified the information or representations contained or incorporated by reference in this Base Prospectus. None of the Dealers or the Arranger makes any representation, express or implied, or accepts any responsibility, with respect to the sincerity, accuracy or completeness of any of the information or representations in this Base Prospectus or any responsibility for any acts or omissions of the Issuer or any other person in connection with the Base Prospectus. Neither this Base Prospectus nor any other information incorporated by reference in this Base Prospectus is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Base Prospectus or any other information incorporated by reference should purchase the Notes. Each potential purchaser of Notes should

determine for itself the relevance of the information contained in this Base Prospectus and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arranger has reviewed or undertakes to review the financial condition or affairs of the Issuer or the Group during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

In this Base Prospectus, unless otherwise specified or the context otherwise requires, references to “€”, “Euro”, “EUR” or “euro” are to the single currency of the participating member states of the European Union which was introduced on 1 January 1999, references to “£”, “pounds sterling”, “GBP” and “Sterling” are to the lawful currency of the United Kingdom, references to “\$”, “USD” and “US dollars” are to the lawful currency of the United States of America, references to “¥”, “JPY”, “Japanese yen” and “Yen” are to the lawful currency of Japan and references to “CHF”, “Swiss francs” are to the lawful currency of Switzerland, references to “CAD” or “Canadian dollar” are to the lawful currency of Canada and references to “Renminbi” or “RMB” are to the currency of the People’s Republic of China (“PRC”) excluding for these purposes, Hong Kong, Macau and Taiwan.

Status of the Notes:

The Notes and, where applicable, any relative Receipts and Coupons will constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 4) unsecured obligations of the Issuer and rank and will at all times rank *pari passu* and without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated financial obligations of the Issuer, from time to time outstanding.

There will be events of default and a cross-default in respect of the Notes as set out in Condition 9. See “**Terms and Conditions of the Notes - Events of Default**”.

Redemption:

The relevant Final Terms will specify the basis for calculating the redemption amounts payable. Unless permitted by then current laws and regulations, Notes (including Notes denominated in sterling) having a maturity of less than one year from the date of issue and in respect of which the issue proceeds are to be accepted by the Issuer in the United Kingdom or whose issue otherwise constitutes a contravention of section 19 of the FSMA, must have a minimum redemption amount of £100,000 (or its equivalent in other currencies).

Optional Redemption:

The Final Terms issued in respect of each issue of Notes will state whether such Notes may be redeemed prior to their stated maturity at the option of the Issuer (either in whole or in part) and/or the Noteholders and, if so, the terms applicable to such redemption.

Redemption by Instalments:

The Final Terms issued in respect of each issue of Notes that are redeemable in two or more instalments will set out the dates on which, and the amounts in which, such Notes may be redeemed.

Early Redemption:

Except as provided in “*Optional Redemption*” above

and in “*Acquisition Event Call Option*”, “*Residual Call Option*”, “*Make-Whole Redemption by the Issuer*” and “*Clean-up Call Option*” below, Notes will be redeemable at the option of the Issuer prior to maturity only for tax reasons.

Redemption at the option of Noteholders following a Change of Control:

If a Change of Control Put Option is specified in the relevant Final Terms, following the occurrence of a Change of Control, the Noteholders will be entitled to request the Issuer to redeem the Notes, or, at the Issuer’s option, procure the purchase of their Notes. See “***Terms and Conditions of the Notes - Redemption, Purchase and Options***”.

Acquisition Event Call Option:

If so specified in the relevant Final Terms and if an Acquisition Event occurs, the Issuer may redeem the Notes, in whole or in part or, if so specified in the relevant Final Terms, in whole only. See “***Terms and Conditions of the Notes – Acquisition Event Call Option***”.

Residual Call Option:

If so specified in the relevant Final Terms, in respect of any issue of Notes, the Issuer will have the option to redeem, at any time as from the Call Option Date which shall be no earlier than 180 calendar days before the Maturity Date, until the Maturity Date, the Notes, in whole but not in part, at par together with interest accrued to, but excluding, the date fixed for redemption.

Make-Whole Redemption by the Issuer:

If so specified in the relevant Final Terms, in respect of any issue of Notes, the Issuer will have the option to redeem the Notes, in whole or in part, at any time or from time to time, prior to their Maturity Date at their Optional Redemption Amount. The Optional Redemption Amount will be an amount in Euro being the greater of (x) 100 per cent. of the nominal amount of the Notes so redeemed and, (y) the sum of the then present values of the remaining scheduled payments of principal and interest on such Notes (not including any interest accrued on the Notes to, but excluding, the relevant Optional Redemption Date) discounted to the relevant Optional Redemption Date on an annual basis at the Redemption Rate (as specified in the relevant Final Terms) plus a Redemption Margin (as specified in the relevant Final Terms), plus in each case (x) or (y) above, any interest accrued on the Notes to, but excluding, the Optional Redemption Date.

Clean-Up Call Option

If so specified in the relevant Final Terms and if at least 80 per cent. of the initial aggregate nominal amount of Notes of the same Series have been

redeemed or purchased and, in each case, cancelled, the Issuer may, at its option, redeem the Notes in whole but not in part at their Clean-Up Redemption Amount together with any interest accrued to the date set for redemption (as specified in the relevant Final Terms). See “**Terms and Conditions of the Notes – Clean-up Call Option**”.

Taxation in respect of the Notes:

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes will be made free and clear of, and without withholding or deduction for, any taxes or duties of whatever nature imposed, levied or collected by or on behalf of France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

If such a withholding or deduction is required, the Issuer will have to gross-up its payments to the fullest extent then permitted by law and subject to certain exceptions.

Interest Periods and Interest Rates:

The length of the interest periods for the Notes and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. Notes may have a maximum interest rate, a minimum interest rate, or both. The use of interest accrual periods permits the Notes to bear interest at different rates in the same interest period. All such information will be set out in the relevant Final Terms.

Fixed Rate Notes:

Fixed interest will be payable in arrear on the date or dates in each year specified in the relevant Final Terms.

Floating Rate Notes:

Floating Rate Notes will bear interest determined separately for each Series as follows:

- (i) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency pursuant to the 2007 FBF Master Agreement relating to Transactions on Forward Financial Instruments, published by the *Fédération Bancaire Française* as supplemented by the relevant Technical Schedules; or
- (ii) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc.; or

- (iii) by reference to LIBOR, EURIBOR or CMS Rate (or such other benchmark as may be specified in the relevant Final Terms), in each case as adjusted for any applicable margin.

In no event shall the applicable rate of interest (including, for the sake of clarity, any applicable margin) be less than zero.

Interest periods will be specified in the relevant Final Terms.

In the event where the benchmark used to calculate the interest payable is discontinued, the Conditions of the Notes provide a methodology to determine the successor or alternative rates.

Fixed/Floating Rate Notes:

Fixed/Floating Rate Notes may bear interest at a rate (i) that the Issuer may elect to convert, upon giving not less than 15 calendar days' prior notice in accordance with Condition 15, on the date set out in the Final Terms from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate or (ii) that will automatically change from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate on the date set out in the Final Terms.

Zero Coupon Notes:

Zero Coupon Notes may be issued at their nominal amount or at a discount to it and will not bear interest.

Inflation Linked Notes:

Inflation Linked Notes may be issued by the Issuer where the interest and/or the principal in respect of such Notes will be calculated by reference to an inflation index ratio derived from either:

- (i) the consumer price index (excluding tobacco) for all households in metropolitan France, as calculated and published monthly by the *Institut National de la Statistique et des Etudes Economiques*; or
- (ii) the harmonised index of consumer prices excluding tobacco, or the relevant substitute index, measuring the rate of inflation in the European Monetary Union excluding tobacco as calculated and published monthly by Eurostat.

Redenomination:

Notes issued in the currency of any Member State of the EU which will participate in the single currency of the European Economic and Monetary Union may be redenominated into Euro, all as more fully provided in "**Terms and Conditions of the Notes - Form, Denomination(s), Title and**

	Redenomination .
Consolidation:	Notes of one Series may be consolidated with Notes of another Series as more fully provided in “ Terms and Conditions of the Notes - Further Issues and Consolidation ”.

Rating:

The Programme has been rated A by Standard & Poor's Ratings Services (“**S&P**”) and A2 by Moody's Investors Services, Inc. (“**Moody's**”). The Issuer's long-term debt is currently rated A2 (stable outlook) by Moody's and A (stable outlook) by S&P. Each of Moody's and S&P is established in the European Union or in the United Kingdom and is registered under Regulation (EC) No 1060/2009 on credit rating agencies, as amended (the “**CRA Regulation**”). As such, each of Moody's and S&P is included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the European Securities and Markets Authority's website (<https://www.esma.europa.eu/supervision/credit-rating-agencies/risk>) as of the date of this Base Prospectus. Notes to be issued under the Programme may be rated or unrated. The rating, if any, will be specified in the relevant Final Terms. Where an issue of Notes is rated, its rating will not

necessarily be the same as the rating assigned to the Issuer. The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union or in the United Kingdom and registered under the CRA Regulation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Notes issued under the Programme. All of these factors are contingencies which may or may not occur. The risk factors may relate to the Issuer or to any of its subsidiaries.

Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. The risks described below are not the only risks the Issuer faces.

Additional risks and uncertainties not currently known to the Issuer or that are currently believed to be immaterial could also have a material impact on its business operations. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and in any documents incorporated by reference and reach their own views prior to making any investment decision. In particular, investors should make their own assessment as to the risks associated with the Notes prior to investing in Notes issued under the Programme.

Words and expressions defined under "Terms and Conditions of the Notes" shall have the same meanings in this section.

RISK FACTORS RELATING TO THE ISSUER

Risk factors relating to the Issuer and its activity are described on pages 49 to 66 of the 2019 Universal Registration Document, as defined and further described in the section "Documents Incorporated by Reference" in this Base Prospectus and include the following:

- External risks;
- Strategic risk;
- Financial risk;
- Operational risk; and
- Compliance & Litigation risk.

RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe some risk factors that the Issuer believes are material to the Notes to be offered and/or listed and admitted to trading in order to assess the market risk associated with these Notes. They do not describe all the risks of an investment in the Notes. Prospective investors should consult their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances.

1 Risks Factors relating to all Series of Notes

French Insolvency Law

The Issuer having its registered office located in France, it is subject to French insolvency law. Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the “**Assembly**”), further to the proposal of a plan by two creditors’ committees, if a safeguard procedure (*procédure de sauvegarde*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*), an accelerated safeguard procedure (*procédure de sauvegarde accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme, regardless of their governing law and notwithstanding any other contrary clause.

The members of the Assembly defend their common interests and deliberate on the draft safeguard (*projet de plan de sauvegarde*), draft accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*), draft accelerated safeguard plan (*projet de plan de sauvegarde accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing-off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to receive share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the value of debt securities held by the holders casting a vote at such Assembly). No quorum is required for the receiver (*administrateur judiciaire*) to convoke the Assembly. Holders of debt securities issued by the Issuer (including the Notes) have the right to dispute such decisions within ten days of the Assembly.

Decisions of the Assembly will be binding upon holders of debt securities if the proposed safeguard or rehabilitation plan is (i) adopted by the other creditors’ committees of the Issuer (committee of financial institutions and committee of suppliers) and (ii) approved by the commercial court.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in Condition 11 (*Representation of Noteholders*) will not be applicable, to the extent they

are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

It should be noted that a new European directive entitled "Directive (EU) 2019/1023 on preventive restructuring frameworks, on discharge of debt and disqualifications, and on measures to increase the efficiency of procedures concerning restructuring, insolvency and discharge of debt, and amending Directive (EU) No. 2017/1132" has been adopted by the European Union on 20 June 2019. Once transposed into French law (which is scheduled to happen by 17 July 2021 at the latest), such directive should have a material impact on French insolvency law, especially with regard to the process of adoption of restructuring plans under insolvency proceedings.

According to this directive, "affected parties" (*i.e.*, creditors, including the Noteholders) shall be treated in separate classes which reflect certain class formation criteria for the purpose of adopting a restructuring plan. Classes shall be formed in such a way that each class comprises claims or interests with rights that are sufficiently similar to justify considering the members of the class a homogenous group with commonality of interest. As a minimum, secured and unsecured claims shall be treated in separate classes for the purpose of adopting a restructuring plan. A restructuring plan shall be deemed to be adopted by affected parties, provided that a majority in the amount of their claims or interests is obtained in each and every class (the required majorities shall be laid down by Member States of the European Union at not higher than 75% in the amount of claims or interests in each class, it being noted that Member States of the European Union may require that in addition a majority in number of affected parties be obtained in each class). If the restructuring plan is not approved by each and every class of affected parties, the plan may however be confirmed by a judicial or administrative authority by applying a cross-class cram-down, provided notably that:

- the plan has been notified to all known creditors likely to be affected by it;
- the plan complies with the best interest of creditors test (*i.e.*, no dissenting creditor would be worse off under the restructuring plan than they would be in the event of liquidation, whether piecemeal or sale as a going concern);
- any new financing is necessary to implement the restructuring plan and does not unfairly prejudice the interest of creditors;
- the plan has been approved by a majority of the voting classes of affected parties, provided that at least one of those classes is a secured creditors class or is senior to the ordinary unsecured creditors class; or, failing that, by at least one of the voting classes of affected parties or where so provided under national law, impaired parties, other than an equity-holders class or any other class which, upon a valuation of the debtor as a going-concern, would not receive any payment or keep any interest, or, where so provided under national law, which could be reasonably presumed not to receive any payment or keep any interest, if the normal ranking of liquidation priorities were applied under national law;
- the plan complies with the relative priority rule (*i.e.*, dissenting voting classes of affected creditors are treated at least as favourably as any other class of the same rank and more favourably than any junior class). By way of derogation, Member States of the European Union may instead provide that the plan shall comply with the absolute priority rule (*i.e.*, a dissenting voting class of creditors must be satisfied in full before a more junior class may receive any distribution or keep any interest under the restructuring plan); and
- no class of affected parties can, under the restructuring, plan receive or keep more than the full amount of its claims or interests.

Therefore, when such directive is transposed into French law, it cannot be excluded that the Noteholders will no longer deliberate on the proposed restructuring plan in a separate assembly, meaning that they will no longer benefit from a specific veto power on this plan. Instead, as any other affected parties, the Noteholders will be grouped into one or several classes (with potentially other types of creditors) and their dissenting vote may possibly be overridden by a cross-class cram down.

The commencement of insolvency proceedings against the Issuer would have a material adverse effect on the market value of Notes issued by the Issuer. Any decisions taken by the Assembly or a class of creditors, as the case may be, could materially and negatively impact the Noteholders and cause them to lose all or part of their investment, should they not be able to recover the amounts due to them from the Issuer.

Credit Risk

As contemplated in Condition 3 (Status of the Notes) of the Terms and Conditions of the Notes, the Notes and, where applicable, any relative Receipts and Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 4 (*Negative Pledge*) of the Terms and Conditions of the Notes) unsecured obligations of the Issuer. However, an investment in the Notes involves taking credit risk on the Issuer. If the credit worthiness of the Issuer deteriorates and notwithstanding Condition 9 (*Events of Default*) of the Terms and Conditions of the Notes which enable the Noteholders to request through the Representative of the *Masse* the redemption of the Notes, the Issuer may not be able to fulfil all or part of its payment obligations under the Notes. As result the situation of Noteholders could be materially and negatively impaired and Noteholders may lose all or part of their investment in the Notes.

Modification and Waivers

Condition 11 (*Representation of Noteholders*) of the Terms and Conditions of the Notes contains provisions for calling General Meetings of Noteholders or consulting them by way of Consultation in Writing to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not participate in the relevant General Meeting or Consultation in Writing and Noteholders who voted in a manner contrary to the majority. General Meetings or Consultations in Writing may deliberate on any proposal relating to the modification of the conditions of the Notes subject to the limitation provided by French law. If a modification of the Terms and Conditions of the Notes is adopted by a majority of holders of Notes and such modification were to impair or limit their rights, this may have a negative impact on the market value of the Notes and hence Noteholders may lose all or part of their investment in the Notes.

Furthermore, in accordance with Condition 11 (*Representation of Noteholders*) of the Terms and Conditions of the Notes, Article L.228-65 I 1° of the French *Code de commerce* (only in respect of the modification of the Issuer's corporate purposes) is excluded. As a consequence, no General Meeting will be held nor a Consultation in Writing will be submitted and no early redemption of any Note by the Issuer shall be requested by the Noteholders in respect of such modification in accordance with Condition 7 (*Redemption, Purchas and Options*) of the Terms and Conditions of the Notes or Condition 9 (*Event of Default*) of the Terms and Conditions of the Notes. A change of the Issuer's corporate purposes may adversely affect the liquidity of the Notes and Noteholders may not be able to sell their Notes on the market.

2 Risk Factors relating to the Structure and Features of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, inter alia, the provisions for computation of periodic interest payments, if any, redemption and issue price.

2.1 Risk Factors relating to the Interest payable on the Notes

Floating Rate Notes

A key difference between Floating Rate Notes contemplated in Condition 5(c) (*Interest on Floating Rate Notes and Inflation Linked Notes*) of the Terms and Conditions of the Notes and Fixed Rate Notes is that interest income on Floating Rate Notes cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. If the Terms and Conditions of the Notes provide for frequent interest payment dates, investors are exposed to reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing. In addition, the Issuer's ability to also issue Fixed Rate Notes may affect the market value and the secondary market (if any) of the Floating Rate Notes (and vice versa).

As contemplated in Condition 5(c) (*Interest on Floating Rate Notes and Inflation Linked Notes*) of the Terms and Conditions of the Notes, investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short-term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate. As a result, Noteholders may lose all or a significant part of their investments in the Notes and therefore their interests may be significantly negatively altered.

Fixed Rate Notes

As contemplated in Condition 5(b) (*Interest on Fixed Rate Notes*) of the Terms and Conditions of the Notes, the Issuer may issue Fixed Rate Notes bearing interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrears on each Interest Payment Date.

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes and Noteholders may lose part of their investment in the Notes and therefore their interests may be significantly and negatively altered.

Fixed/Floating Rate Notes

As contemplated by Condition 5(d) (*Fixed/Floating Rate Notes*) of the Terms and Conditions of the Notes, Fixed/Floating Rate Notes may bear interest at a rate (i) that the Issuer may elect to convert on the date set out in the relevant Final Terms or (ii) that will automatically change from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate on the date set out in the relevant Final Terms. The conversion (whether it be automatic or optional) of the interest rate will affect the

secondary market and the market value of the Notes, after the conversion of the interest rate, may produce a lower overall cost of borrowing. If a Fixed Rate is converted to a Floating Rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new Floating Rate at any time may be lower than the rates on other Notes. In case of a conversion from a Floating Rate to a Fixed Rate, the Fixed Rate may be lower than then prevailing rates on its Notes.

Investors should refer to risk factors set out in the risk factors entitled “Fixed Rate Notes” and “Floating Rate Notes”.

Zero Coupon Notes

As contemplated by Condition 5(e) (*Zero Coupon Notes*) of the Terms and Conditions of the Notes, the Issuer may issue Zero Coupon Notes. Changes in market interest rates have a substantially stronger impact on the prices of Zero Coupon Notes than on the prices of ordinary Notes because the discounted issue prices are substantially below par. If market interest rates increase, Zero Coupon Notes can suffer higher price losses than other Notes having the same maturity and credit rating. Due to their leverage effect, Zero Coupon Notes are a type of investment associated with a particularly high price risk and Noteholders may, as a result, lose part of their investment in the Notes.

Inflation Linked Notes

As contemplated in Condition 5(c) (*Interest on Floating Rate Notes and Inflation Linked Notes*) of the Terms and Conditions of the Notes, the Issuer may issue Inflation Linked Notes. Inflation Linked Notes are debt securities which do not provide for predetermined interest payments and/or in respect of which the principal is indexed. Interest amounts and/or principal will be dependent upon the performance of either (i) the consumer price index (excluding tobacco) for all households in metropolitan France (the “CPI”), as calculated and published monthly by the *Institut National de la Statistique et des Etudes Economiques* (“INSEE”), or (ii) the harmonised index of consumer prices excluding tobacco, or the relevant successor index, measuring the rate of inflation in the European Monetary Union excluding tobacco as calculated and published monthly by Eurostat (the “HICP”) (each an “Inflation Index” and together, the “Inflation Indices”). If the value of the relevant index calculated at any time prior to the Maturity Date is lower than the value of the relevant index at the time of the issue of the Notes or at the time of purchase by the Noteholders, then the amount of interest payable by the Issuer and/or the principal of Inflation Linked Notes may vary. Noteholders may receive no interest. However, if the nominal amount to be repaid at maturity is below par, the Inflation Linked Notes will be redeemed at par.

The above-factors could materially and adversely affect the liquidity of the Notes and investors could lose part of their investment.

Reform and regulation of “benchmarks”

Where Screen Rate Determination is specified as the manner in which the Rate of Interest in respect of Floating Rate Notes is to be determined, and the London Interbank Offered Rate (“LIBOR”), the Euro Interbank Offered Rate (“EURIBOR”) or another Reference Rate (has been selected as the Reference Rate, Condition 5(c)(iii)(D) (*Benchmark discontinuation*) of the Terms and Conditions of the Notes provides that the Rate of Interest shall be determined by reference to the Relevant Screen Page (or its successor or replacement). In circumstances where the Original Reference Rate is discontinued, neither the Relevant Screen Page, nor any successor or replacement may be available.

Where the Relevant Screen Page is not available, and no successor or replacement for the Relevant Screen Page is available, the Conditions of the Notes provide for the Rate of Interest to be determined by the Calculation Agent by reference to quotations from banks communicated to the Calculation Agent.

Where such quotations are not available (as may be the case if the relevant banks are not submitting rates for the determination of such Original Reference Rate), the Rate of Interest may ultimately revert to the Rate of Interest applicable as at the last preceding Interest Determination Date before the Original Reference Rate was unavailable (and solely in the context that such unavailability does not qualify as a Benchmark Event). Uncertainty as to the continuation of such Original Reference Rate, the availability of quotes from reference banks, and the rate that would be applicable if such Original Reference Rate is unavailable may adversely affect the value of, and return on, the Floating Rate Notes.

If a Benchmark Event (as defined in Condition 5(a) (*Definitions*)) of the Terms and Conditions of the Notes (which, amongst other events, includes the permanent discontinuation of an Original Reference Rate) occurs, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser. The Independent Adviser shall endeavour to determine a Successor Rate or Alternative Rate to be used in place of the Original Reference Rate. The use of any such Successor Rate or Alternative Rate to determine the Rate of Interest is likely to result in Notes initially linked to or referencing the Original Reference Rate performing differently (which may include payment of a lower Rate of Interest) than they would do if the Original Reference Rate were to continue to apply in its current form.

Furthermore, if a Successor Rate or Alternative Rate for the Original Reference Rate is determined by the Independent Adviser and the Independent Adviser determines that amendments to the Conditions of the Notes provide that the Issuer may vary the Conditions of the Notes, as necessary to ensure the proper operation of such Successor Rate or Alternative Rate, then the Issuer may vary these Conditions to give effect to such amendments without any requirement for consent or approval of the Noteholders.

If a Successor Rate or Alternative Rate is determined by the Independent Adviser, the Conditions of the Notes also provide that an Adjustment Spread may be determined by the Independent Adviser and applied to such Successor Rate or Alternative Rate. The aim of the Adjustment Spread is to reduce or eliminate, to the extent reasonably practicable, any economic prejudice or benefit (as the case may be) to Noteholders, Receiptholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate. However, it may not be possible to determine or apply an Adjustment Spread and even if an Adjustment Spread is applied, such Adjustment Spread may not be effective to reduce or eliminate economic prejudice to Noteholders, Receiptholders and Couponholders. If no Adjustment Spread can be determined, a Successor Rate or Alternative Rate may nonetheless be used to determine the Rate of Interest. The use of any Successor Rate or Alternative Rate (including with the application of an Adjustment Spread) may still result in Notes linked to or referencing the Original Reference Rate performing differently (which may include payment of a lower Rate of Interest) than they would if the Original Reference Rate were to continue to apply in its current form.

The Issuer may be unable to appoint an Independent Adviser or the Independent Adviser may not be able to determine a Successor Rate or Alternative Rate in accordance with the Conditions of the Notes.

Where the Issuer is unable to appoint an Independent Adviser in a timely manner, or the Independent Adviser is unable, to determine a Successor Rate or Alternative Rate before the next

Interest Determination Date, the Rate of Interest for the next succeeding Interest Period will be the Rate of Interest applicable as at the last preceding Interest Determination Date before the occurrence of the Benchmark Event, or, where the Benchmark Event occurs before the first Interest Determination Date, the Rate of Interest will be the initial Rate of Interest.

Where the Issuer has been unable to appoint an Independent Adviser or, the Independent Adviser has failed, to determine a Successor Rate or Alternative Rate in respect of any given Interest Period, it will continue to attempt to appoint an Independent Adviser in a timely manner before the next succeeding Interest Determination Date and/or to determine a Successor Rate or Alternative Rate to apply the next succeeding and any subsequent Interest Periods, as necessary.

Applying the initial Rate of Interest, or the Rate of Interest applicable as at the last preceding Interest Determination Date before the occurrence of the Benchmark Event is likely to result in Notes linked to or referencing the relevant benchmark performing differently (which may include payment of a lower Rate of Interest) than they would do if the relevant benchmark were to continue to apply, or if a Successor Rate or Alternative Rate could be determined.

If the Issuer is unable to appoint an Independent Adviser or, the Independent Adviser fails to determine a Successor Rate or Alternative Rate for the life of the relevant Notes, the initial Rate of Interest, or the Rate of Interest applicable as at the last preceding Interest Determination Date before the occurrence of the Benchmark Event, will continue to apply to maturity. This will result in the Floating Rate Notes, in effect, becoming Fixed Rate Notes. Noteholders may, in such circumstances, be materially affected and receive a lower interest as they would have expected if an Independent Adviser had been determined or if such Independent Adviser did not fail to determine such Successor or Alternative Rate.

2.2 Risk Factors relating to the Redemption of the Notes

Notes subject to optional redemption by the Issuer

The Issuer has the option, if so specified in the relevant Final Terms, to redeem the Notes under a Residual Call Option as provided in Condition 6(c) (*Residual Call Option*) of the Terms and Conditions of the Notes, a Make-Whole Redemption as provided in Condition 6(d) (*Make-Whole Redemption by the Issuer*) of the Terms and Conditions of the Notes, a Clean-up Call Option as provided in Condition 6(e) (*Clean-up Call Option*) of the Terms and Conditions of the Notes, a Call Option as provided in Condition 6(f) (*Redemption at the Option of the Issuer and Partial Redemption*) of the Terms and Conditions of the Notes, following the occurrence of an Acquisition Event as provided in Condition 6(g) (*Acquisition Event Call Option*) of the Terms and Conditions of the Notes or due to tax reasons as provided in Condition 6(k) (*Redemption for Taxation reasons*) of the Terms and Conditions of the Notes.

In particular, in case of a Clean-Up Call Option there is no obligation for the Issuer to inform investors if and when the percentage of 80 per cent. has been reached or is about to be reached, and the Issuer's right to redeem will exist notwithstanding that immediately prior to the serving of a notice in respect of the exercise of this option, the Notes may have been traded significantly above par, thus potentially resulting in a loss of capital invested.

In addition, if in the case of any particular Tranche of Notes, the relevant Final Terms specifies that the Notes are redeemable at the Issuer's option, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low.

If (i) an Acquisition Event Call Option is specified in the relevant Final Terms and (ii) the Issuer publicly announces that the consummation of the acquisition of the Targeted Company (as defined in the relevant Final Terms) is not pursued or the completion of the acquisition has not occurred on

or prior to the Acquisition Event Limit Date, the Issuer will have the option to redeem the Notes, in whole or in part or, if so specified in the relevant Final Terms, in whole only, at the Optional Redemption Amount together with any interest accrued on the Notes as provided in Condition 6(g) (*Acquisition Event Call Option*) of the Terms and Conditions of the Notes.

During a period when the Issuer may elect, or has elected, to redeem Notes, such Notes may feature a market value not substantially above the price at which they can be redeemed. As a consequence, the yields received upon redemption may be lower than expected. Furthermore, an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Furthermore, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the country of domicile (or residence for tax purposes) by the Issuer, or on behalf of France, or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with Conditions 6(k) (*Redemption for Taxation reasons*) of the Terms and Conditions of the Notes.

All of the above may reduce the profits potential investors in the Notes may have expected in subscribing the Notes and could have significant impact on the Noteholders and part of the capital invested by the Noteholder may be lost, so that the Noteholder in such case would not receive the total amount of the capital invested. However, the redeemed face amount of the Notes may not be below par. In addition, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than such redeemed Notes.

Change of Control, Make-Whole Redemption by the Issuer and Redemption at the Option of the Issuer

Exercise of Change of Control Put Option as provided in Condition 6(l) (*Early Redemption of the Notes at the option of Noteholders following a Change of Control*) of the Terms and Conditions of the Notes, Make-Whole Redemption by the Issuer as provided in Condition 6(d) (*Make-Whole Redemption by the Issuer*) of the Terms and Conditions of the Notes or Redemption at the Option of the Issuer as provided in Condition 6(f) (*Redemption at the option of the Issuer and Partial Redemption*) of the Terms and Conditions of the Notes in respect of certain Notes may affect the liquidity and value of the Notes of the same Series in respect of which such option is not exercised.

Depending on the number of Notes of the same Series in respect of which the Change of Control Put Option, the Make-Whole Redemption by the Issuer or the Redemption at the Option of the Issuer provided, if any, in the relevant Final Terms is exercised, any trading market in respect of those Notes in respect of which such option is not exercised may become illiquid and Noteholders may lose part of their investments.

2.3 Risk Factors relating to Renminbi-denominated Notes

The relevant Final Terms in relation to any Series of Notes may specify that the Notes are denominated in Renminbi (“**RMB Notes**”). RMB Notes contain particular risks for potential investors.

Renminbi is not freely convertible and may adversely affect the liquidity of RMB Notes.

Renminbi is not freely convertible at present. The government of the PRC (the “**PRC Government**”) continues to regulate conversion between Renminbi and foreign currencies, including the U.S. dollar, despite the significant reduction over the years by the PRC government

of its control over routine foreign exchange transactions under current accounts. This may affect the liquidity of the RMB Notes and the Issuer's ability to source Renminbi out of the PRC to service RMB Notes.

Remittance of Renminbi by foreign investors into the PRC for the purposes of capital account items, such as capital contributions, is generally only permitted upon obtaining specific approvals from, or completing specific registrations or filings with, the relevant authorities and is subject to a strict monitoring system. Regulations in the PRC on the remittance of Renminbi into the PRC for settlement of capital account items are developing gradually.

Although Renminbi was added to the Special Drawing Rights basket created by the International Monetary Fund in 2016 and policies further improving accessibility to Renminbi to settle cross-border transactions in foreign currencies were implemented by the People's Bank of China ("**PBoC**") in 2018, there is no assurance that the PRC Government will continue to liberalise the control over cross-border remittance of Renminbi in the future, that any pilot schemes for Renminbi cross-border utilisation will not be discontinued or that new regulations in the PRC will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC. In the event that funds cannot be repatriated outside the PRC in Renminbi, this may affect the overall availability of Renminbi outside the PRC and the Issuer's ability to source Renminbi to finance its obligations under the RMB Notes.

There is only limited availability of Renminbi outside the PRC, which may affect the liquidity of the RMB Notes and the Issuer's ability to source Renminbi outside the PRC to service such RMB Notes.

As a result of the restrictions imposed by the PRC Government on cross-border Renminbi fund flows, the availability of Renminbi outside the PRC is limited. In efforts to internationalise the Renminbi, the PBOC has established Renminbi clearing and settlement systems for participating banks in various countries through settlement agreements (the "**Settlement Agreements**") on the clearing of Renminbi business with financial institutions in a number of financial centres and cities each, a "**Renminbi Clearing Bank**") and these RMB Clearing Banks have been permitted to engage in the settlement of Renminbi trade transactions.

However, the current size of Renminbi-denominated financial assets outside the PRC is limited.

There are restrictions imposed by PBoC on Renminbi business participating banks in respect of cross-border Renminbi settlement, such as those relating to direct transactions with PRC enterprises. Furthermore, Renminbi business participating banks do not have direct Renminbi liquidity support from PBoC. The relevant Renminbi Clearing Bank only has access to its own onshore liquidity support from PBoC for the purpose of squaring open positions of its relevant participating banks for limited types of transactions. The relevant Renminbi Clearing Bank is not obliged to square for participating banks any open positions resulting from other foreign exchange transactions or conversion services. In each case, the participating banks will need to source Renminbi from outside the PRC to square such open positions.

Although it is expected that the offshore Renminbi market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. There is no assurance that new PRC regulations will not be promulgated in the future or the Settlement Agreements will not be terminated or amended in the future which will have the effect of restricting availability of Renminbi offshore. The limited availability of Renminbi outside the PRC may affect the liquidity of the RMB Notes. To the extent the Issuer is required to source Renminbi in the offshore market to service its RMB Notes, there is no assurance that either the Issuer will be able to source such Renminbi on satisfactory terms, if at all. Should the Issuer resort

to using another currency, such as U.S. dollar, to respect its payment obligations under the RMB Notes, the relevant Noteholders may lose part of their investment when converting such currency back into Renminbi, depending on the prevailing exchange rate at that time.

2.4 Notes issued as green, social and/or sustainability Notes may not be a suitable investment for all investors

The section “Use of Proceeds” of this Base Prospectus and the Final Terms provide for the issue by the Issuer of green, social and/or sustainable Notes. The Final Terms relating to any specific Tranche of Notes may provide that it will be the Issuer’s intention to issue green, social or sustainability Notes and the net proceeds of the issuance of such Notes may be exclusively applied to finance or re-finance, in part or in full, new and/or existing (i) eligible green projects, (ii) eligible social projects or (iii) sustainability projects (being a combination of both green and social projects) which may be further described in the Issuer’s relevant framework to be published on the Issuer’s website on or before the issue of such Notes.

There is currently no market consensus on what precise attributes are required for a particular project to be defined as “green” “social” or “sustainable”, and therefore no assurance can be provided to investors that the Eligible Projects (as defined in the “Reasons for the offer” paragraph in the relevant Final Terms) will satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply.

Any failure to use the net proceeds from such Notes on Eligible Projects or to meet or continue to meet the investment requirements of certain environmentally, socially or sustainably focused investors with respect to such Notes may affect the value of the Notes and/or may have adverse consequences for certain investors with portfolio mandates to invest in green, social and/or sustainable assets.

Further, any such failure will not give rise to an early redemption of the Notes as provided in Condition 7 (*Redemption, Purchase and Options*) of the Terms and Conditions of the Notes or Condition 9 (*Events of Default*) of the Terms and Conditions of the Notes.

2.5 Risk Factors relating to the Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

It is difficult to anticipate future market volatility in interest rates, but any such volatility may have a significant adverse effect on the value and marketability of the Notes and Noteholders could lose part of their investment.

3 Risk factors relating to the market generally

No active Secondary/Trading Market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single Series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities,

general economic conditions and the financial condition of the Issuer. Although in relation to Notes to be listed and admitted to trading on Euronext Paris, the Final Terms of the Notes will be filed with the AMF in Paris, there is no assurance that such filings will be accepted, that any particular Tranche of Notes will be so listed and admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

As a consequence, investors may not be able to sell Notes readily or at prices that will enable them to realise their anticipated yield and as a result, investors could lose all or part of their investment in the Notes.

Market Value of the Notes

Application will be made in certain circumstances to list and admit the Notes on Euronext Paris.

The market value of the Notes will be affected by the creditworthiness of the Issuer and a number of additional factors, including the value of an index, including, but not limited to, the volatility of an index, market interest and yield rates and the time remaining to the Maturity Date.

The value of the Notes on Euronext Paris or the Inflation Indices depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial and adverse, from the issue price or the purchase price paid by such Noteholder and result in losing all or part of their investment in the Notes.

Exchange Rates Risks and Exchange Controls

The Programme allows for Notes to be issued in a range of currencies (as defined in the Terms and Conditions of the Notes and each, a “**Specified Currency**”). Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The reference assets or the Notes may be denominated in a currency other than the currency of the purchaser’s home jurisdiction; and/or the reference assets or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro-economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value and liquidity of the Notes or the reference assets.

Government and monetary authorities may impose (as some have done in the past or as more fully described in respect of RMB Notes in the risk factor entitled “*Risks Relating to Renminbi-denominated Notes*”) exchange controls that could adversely affect an applicable exchange rate. As a result, if this risk ever materialises, if this risk ever materialises, Noteholders may receive less interest or principal than expected, or no interest or principal at all.

Potential Conflict of Interest

All or some of the Dealers and, as the case may be, the calculation agent and their respective affiliates (including their parent companies) have and/or may in the future engage, in lending, investment banking, commercial banking and/or other financial advisory and commercial dealings with the Issuer and its affiliates and in relation to securities issued by any entity of the Group. They have or may, in the ordinary course of their business, (i) engage in investment banking, trading or hedging activities including activities that may include prime brokerage business, financing

transactions or entry into derivative transactions, (ii) act as underwriters in connection with offering of shares or other securities issued by any entity of the Group or (iii) act as financial advisers to the Issuer or other companies of the Group. In the context of these transactions, certain of such Dealers have or may hold shares or other securities issued by entities of the Group. Where applicable, they have or will receive customary fees and commissions for these transactions. In addition, certain Dealers and/or their affiliates may have provided financing to the Group.

Each of the Issuer and the Dealer(s) may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders (including where a Dealer acts as calculation agent), including with respect to certain discretionary determinations and judgements that such calculation agent may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes. In particular, whilst a calculation agent will, as the case may be, have information barriers and procedures in place to manage conflicts of interest, it may in its other banking activities from time to time be engaged in transactions involving an index or related derivatives which may affect amounts receivable by Noteholders during the term and on the maturity of the Notes or the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

2019 Supplement Conditions	Page 7

SUPPLEMENT TO THE BASE PROSPECTUS

If at any time the Issuer is required to prepare a prospectus supplement pursuant to provisions of Article 23 of the Prospectus Regulation, the Issuer will prepare and make available an appropriate supplement to this Base Prospectus or a further Base Prospectus which, in respect of any subsequent issue of Notes to be listed and admitted to trading on Euronext Paris or on a Regulated Market of a Member State of the EEA, shall constitute a prospectus supplement as required by Article 23 of the Prospectus Regulation.

The Issuer has given an undertaking to the Dealers that if at any time during the duration of the Programme there is a significant new factor, material mistake or material inaccuracy relating to the information contained in this Base Prospectus which may affect the assessment of any Notes and whose inclusion in or removal from this Base Prospectus is necessary for the purpose of allowing an investor to make an informed assessment of the assets and liabilities, profits and losses, financial position, and prospects of the Issuer and the rights attaching to the Notes, the Issuer shall prepare a supplement to this Base Prospectus for use in connection with any subsequent offering of the Notes and shall supply to each Dealer such number of copies of such supplement hereto as such Dealer may reasonably request.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion in accordance with the provisions of the relevant Final Terms, shall be applicable to the Notes. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed by the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on Definitive Materialised Bearer Notes. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms.

An amended and restated agency agreement dated 26 May 2020 (as amended or supplemented from time to time, the “**Amended and Restated Agency Agreement**”) has been agreed between EssilorLuxottica (“**EssilorLuxottica**” or the “**Issuer**”), BNP Paribas Securities Services as fiscal agent and the other agents named in it. The fiscal agent, the paying agents, the redenomination agent, the consolidation agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Redenomination Agent**”, the “**Consolidation Agent**” and the “**Calculation Agent(s)**”. The holders of Dematerialised Notes and Materialised Notes, the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Materialised Notes and, where applicable in the case of such Notes, talons (the “**Talons**”) for further Coupons (the “**Couponholders**”) and the holders of the receipts (the “**Receipts**”) for the payment of instalments of principal (the “**Receiptholders**”) relating to Materialised Notes of which the principal is payable in instalments are deemed to have notice of all of the provisions of the Amended and Restated Agency Agreement applicable to them. References below to “**Conditions**” are, unless the context requires otherwise, to the numbered paragraphs below.

For the purpose of these Terms and Conditions, “**Regulated Market**” means any regulated market situated in a Member State of the European Economic Area (“**EEA**”) as defined in Directive 2014/65/EU, as amended from time to time.

1 Form, Denomination(s), Title and Redenomination

- (a) **Form:** Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”).

Title to Dematerialised Notes will be evidenced in accordance with Articles L.211-3 and R.211-1 of the French *Code monétaire et financier* (the “**Code**”) by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the Code) will be issued in respect of the Dematerialised Notes.

Dematerialised Notes are issued, at the option of the Issuer and as specified in the relevant Final Terms (the “**Final Terms**”), in either bearer form (*au porteur*), in which case they are inscribed in the books of Euroclear France S.A. (acting as central depository) (“**Euroclear France**”) which shall credit the accounts of Account Holders, or in registered form (*au nominatif*) and, in such latter case, at

the option of the relevant Noteholder in either administered registered form (*au nominatif administré*) inscribed in the books of an Account Holder or in fully registered form (*au nominatif pur*) inscribed in an account in the books of Euroclear France maintained by the Issuer or the registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the “**Registration Agent**”).

The Issuer may require the identification of the Noteholders in accordance with French laws unless such right is expressly excluded in the relevant Final Terms.

For the purpose of these Conditions, “**Account Holder**” means any financial intermediary institution entitled directly or indirectly to hold accounts on behalf of its customers with Euroclear France, and includes the depositary bank for Clearstream Banking, S.A. (“**Clearstream**”) and Euroclear Bank SA/NV (“**Euroclear**”).

Materialised Notes are issued in bearer form (“**Materialised Bearer Notes**”). Materialised Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

In accordance with Articles L.211-3 and R.211-1 of the Code, securities (such as Notes) which are governed by French law and are in materialised form must be issued outside the French territory.

(b) **Denomination(s):**

Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the “**Specified Denomination(s)**”) save that the minimum denomination of each Note listed and admitted to trading on a Regulated Market in a Member State of the EEA in circumstances which require the publication of a Base Prospectus under the Prospectus Regulation will be at least €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency at the issue date) or such other higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency. Dematerialised Notes shall be issued in one Specified Denomination only.

(c) **Title:**

- (i) Title to Dematerialised Notes in bearer form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Issuer or of the Registration Agent.
- (ii) Title to Materialised Bearer Notes in definitive form having, where appropriate, Coupons, Receipt(s) and/or a Talon attached thereto on issue (“**Definitive Materialised Bearer Notes**”), shall pass by delivery.

- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, “**holder of Notes**”, “**holder of any Note**” or “**Noteholder**” means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Account Holder or the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Bearer Note and the Receipts, Coupons, or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) **Redenomination:**

- (i) The Issuer may (if so specified in the relevant Final Terms), on any Interest Payment Date, without the consent of the holders of any Note, Receipt, Coupon or Talon, by giving at least 30 calendar days' notice in accordance with Condition 15 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty on the Functioning of the European Union, as amended from time to time (the “**Treaty**”)), or events have occurred which have substantially the same effects, redenominate all, but not some only, of the Notes of any Series (as defined below) into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the “**Redenomination Date**”.
- (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resultant figure to the nearest €0.01 (with €0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 15. Any balance remaining from the redenomination with a denomination higher than €0.01 shall be paid by way of cash adjustment rounded to the nearest €0.01 (with €0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the Issuer.

- (iii) Upon redenomination of the Notes, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
- (iv) In connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 14, the Issuer may without the consent of the holder of any Note, Receipt, Coupon or Talon but with the prior approval of the Redenomination Agent and the Consolidation Agent, make any changes or additions to these Conditions or Condition 14 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holders of Notes, Receipts, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 15 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to the holders of any Note, Receipt, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

2 Conversion and Exchanges of Notes

(a) Dematerialised Notes:

- (i) Dematerialised Notes issued in bearer form (*au porteur*) may not be converted into Dematerialised Notes in registered form, whether in fully registered form (*au nominatif pur*) or in administered registered form (*au nominatif administré*).
- (ii) Dematerialised Notes issued in registered form (*au nominatif*) may not be converted into Dematerialised Notes in bearer form (*au porteur*).
- (iii) Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the Noteholder, be converted into Notes in administered registered form (*au nominatif administré*), and vice versa. The exercise of any such option by such Noteholder shall be made in accordance with Article R.211-4 of the Code. Any such conversion shall be effected at the cost of such Noteholder.

(b) Materialised Notes:

Materialised Bearer Notes of one Specified Denomination may not be exchanged for Materialised Bearer Notes of another Specified Denomination.

3 Status of the Notes

The Notes and, where applicable, any relative Receipts and Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 4) unsecured obligations of the Issuer and rank and will at all times rank *pari passu* and without any preference among themselves and (subject to such exceptions as are from time to time

mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer, from time to time outstanding.

4 Negative Pledge

So long as any of the Notes or, if applicable, any Receipts or Coupons relating to them, remain outstanding, the Issuer will not, and will ensure that none of its Principal Subsidiaries (as defined below) will, create or permit to subsist any Security, other than a Permitted Security, upon any of its undertakings, assets or revenues, present or future, to secure any Relevant Indebtedness or any guarantee or indemnity in respect of any Relevant Indebtedness, unless, at the same time or prior thereto, the Issuer's obligations under the Notes, Receipts and Coupons (a) are equally and rateably secured therewith or (b) have the benefit of any other security or other arrangement as shall be approved by the Masse (as defined in Condition 11) pursuant to Condition 11¹.

For the purposes of this Condition:

"Relevant Indebtedness" means any present or future indebtedness for borrowed money in the form of, or represented or evidenced by bonds or notes (*obligations*) issued by the Issuer or any of its Principal Subsidiaries, which are for the time being, or are intended to be or capable of being, quoted, admitted to trading, listed or ordinarily dealt in on any stock exchange or on any other securities market.

"Permitted Security" means any Security over:

- (i) any office buildings or production facilities (or any equipment located therein) of the Issuer or a Principal Subsidiary in each case acquired or constructed after the Issue Date by the Issuer or a Principal Subsidiary in the ordinary course of their respective business for the sole purpose of financing or re-financing such acquisition or construction and securing a principal, capital or nominal amount not exceeding 100 per cent. of the cost of that acquisition or construction and provided that such Security shall not encumber any other assets or property of the Issuer; and
- (ii) any shares or stock acquired by the Issuer or a Principal Subsidiary after the Issue Date for the sole purpose of financing or re-financing such acquisition and securing a principal, capital or nominal amount not exceeding 100 per cent. of the cost of such acquisition.

For the purposes of this Condition 4:

"Group" means, at any particular time, the Issuer and all its Subsidiaries;

"Principal Subsidiary" means, at any particular time, a member of the Group (other than the Issuer) whose turnover represents at least 10 per cent. of the consolidated turnover of the Group. For this purpose:

- (a) in the case of a member of the Group which itself has Subsidiaries, the calculation shall be made by comparing the consolidated turnover of it and its Subsidiaries to those of the Group;

¹ For the avoidance of doubt, this undertaking by the Issuer relates exclusively to the Relevant Indebtedness and shall in no way affect the ability of the Issuer, under any other circumstances, to dispose any of its assets or to otherwise grant any Security over any of its assets or any guarantee.

- (b) revenues which arise from transactions between members of the Group and which would be eliminated in the consolidated accounts of the Group shall be excluded;
- (c) the turnover of a member of the Group shall be calculated by reference to:
- (d) the financial statements of that member of the Group (or, as the case may be, a consolidation of the financial statements of it and its Subsidiaries (if any)) used for the purpose of the then latest audited consolidated financial statements of the Group;
- (e) if the person became a member of the Group after the end of the financial period to which those consolidated financial statements relate, the then latest audited financial statements of that member of the Group (or, as the case may be, a consolidation of the then latest audited financial statements of it and its Subsidiaries (if any));
- (f) the turnover of the Group shall be calculated by reference to the then latest audited consolidated financial statements of the Group, adjusted as appropriate to reflect the turnover of any person which has become or ceased to be a member of the Group after the end of the financial period to which those financial statements relate;
- (g) a member of the Group shall (if not already a Principal Subsidiary) become a Principal Subsidiary on completion of any other intra-Group transfer or reorganisation if it would fulfil the test in the first paragraph of this definition, were all relevant financial statements to be prepared as at the completion of that transfer or reorganisation on the basis of the then latest audited consolidated financial statements of the Group, adjusted as appropriate to reflect the matters referred to in (d) above and to reflect all such transfers or reorganisations after the date of those then latest audited consolidated financial statements of the Group; or
- (h) once a person has become a Principal Subsidiary, it shall remain one until it has ceased to fulfil the requirements of this definition.

“Subsidiary” means, in relation to a person, an entity from time to time of which that person has direct or indirect control (in the case of a company, within the meaning of Article L.233-3 I.1 and I.2 of the French *Code de commerce* (as the same is in force on the date of this Agreement)) or an entity, more than 50 per cent. of the voting rights in, or share capital of, which are owned by that person.

“outstanding” means, in relation to the Notes of any Series, all the Notes issued other than (a) those that have been redeemed in accordance with these Conditions, (b) those in respect of which the date for redemption has occurred and the redemption moneys (including all interest accrued on such Notes to the date for such redemption and any interest payable after such date) have been duly paid (i) in the case of Dematerialised Notes in bearer form and in administered registered form, to the relevant Account Holders on behalf of the Noteholder as provided in Condition 6(a), (ii) in the case of Dematerialised Notes in fully registered form, to the account of the Noteholder as provided in Condition 6(a) and (iii) in the case of Materialised Notes, to the Fiscal Agent and remain available for payment against presentation and surrender of Materialised Bearer Notes, Receipts and/or Coupons, as the case may be, (c) those which have

become void or in respect of which claims have become prescribed, (d) those which have been purchased and cancelled as provided in these Conditions, (e) in the case of Materialised Notes (i) those mutilated or defaced Materialised Bearer Notes that have been surrendered in exchange for replacement Materialised Bearer Notes, (ii) (for the purpose only of determining how many such Materialised Bearer Notes are outstanding and without prejudice to their status for any other purpose) those Materialised Bearer Notes alleged to have been lost, stolen or destroyed and in respect of which replacement Materialised Bearer Notes have been issued and (iii) any Temporary Global Certificate to the extent that it shall have been exchanged for one or more Definitive Materialised Bearer Notes, pursuant to its provisions.

"Security" means any mortgage, charge, pledge, lien or other form of encumbrance or security interest which would constitute a *sûreté réelle* or its equivalent under any applicable legislation.

5 Interest and other Calculations

- (a) **Definitions:** In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

"Adjustment Spread" means either a spread (which may be positive or negative), or a formula or a methodology for calculating a spread, in either case, which the Independent Adviser determines and which is required to be applied to the Successor Rate or the Alternative Rate, as the case may be, to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit, as the case may be, to Noteholders, Receiptholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate, as the case may be, and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
- (ii) the Independent Adviser determines, is customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or (if the Independent Adviser determines that no such spread is customarily applied);
- (iii) the Independent Adviser determines and which is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate, as the case may be.

"Alternative Rate" means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 5(c)(iii)(D)(b) and which is customarily applied in international debt capital markets transactions for the purposes of determining rates of interest (or the relevant component part thereof) in the same Specified Currency as the Notes.

“Benchmark Amendments” has the meaning given to it in Condition 5(c)(iii)(D)(d).

“Benchmark Event” means:

- (i) the Original Reference Rate ceasing to be published for a period of at least 5 Business Days or ceasing to exist; or
- (ii) a public statement by the administrator of the Original Reference Rate that it has ceased or that it will, by a specified date, within the following six months, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate); or
- (iii) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will, within the following six months, be permanently or indefinitely discontinued; or
- (iv) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or in respect of the Notes, in each case within the following six months; or
- (v) it has become unlawful for any Paying Agent, the Calculation Agent or the Issuer to calculate any payments due to be made to any Noteholder using the Original Reference Rate,

provided that in the case of sub-paragraphs (ii), (iii) and (iv), the Benchmark Event shall occur on or within the six months preceding the date of the cessation of publication of the Original Reference Rate, the discontinuation of the Original Reference Rate, or the prohibition of use of the Original Reference Rate, as the case may be, and not the date of the relevant public statement.

The occurrence of a Benchmark Event shall be determined by the Issuer and promptly notified to the Fiscal Agent, the Calculation Agent and the Paying Agents. For the avoidance of doubt, neither the Fiscal Agent, the Calculation Agent nor the Paying Agents shall have any responsibility for making such determination.

For the avoidance of doubt, in respect of paragraphs (ii), (iii) and (iv) above, such public statement will not constitute a Benchmark Event before the date falling six months prior the date specified in the relevant public announcement on which the Original Reference Rate is permanently or indefinitely discontinued or prohibited.

“Business Day” means:

- (i) in the case of euro, a day on which the Trans European Automated Real Time Gross Settlement Express Transfer system (known as TARGET 2 system) or any successor thereto (the **“TARGET System”**) is operating (a **“TARGET Business Day”**); and/or
- (ii) in relation to any sum payable in Renminbi, a day (other than a Saturday, Sunday or public holiday) on which commercial banks and foreign exchange markets settle payments in Renminbi in Hong Kong and in the relevant Business Centre(s) (if any); and/or

- (iii) in the case of a Specified Currency other than euro and Renminbi, a day (other than a Saturday, Sunday or a public holiday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for such currency; and/or
- (iv) in the case of a Specified Currency and/or one or more business centres specified in the relevant Final Terms (the “**Business Centre(s)**”), a day (other than a Saturday, a Sunday or a public holiday) on which commercial banks and foreign exchange markets settle payments in such currency in the Business Centre(s) or, if no currency is indicated, generally in each of the Business Centres so specified.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest on any Note for any period of time (from and including the first day of such period to but excluding the last) (whether or not constituting an Interest Period or Interest Accrual Period, the “**Calculation Period**”):

- (i) if “**Actual/Actual**” or “**Actual/Actual - ISDA**” or “**Act/Act**” or “**Act/Act (ISDA)**” is specified in the relevant Final Terms, the actual number of calendar days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of calendar days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of calendar days in that portion of the Calculation Period falling in a non-leap year divided by 365).
- (ii) if “**Actual/365 - FBF**” is specified in the relevant Final Terms, the fraction whose numerator is the actual number of calendar days elapsed during the Calculation Period and whose denominator is 365. If part of that Calculation Period falls in a leap year, Actual/365 - FBF shall mean the sum of (i) the fraction whose numerator is the actual number of calendar days elapsed during the non-leap year and whose denominator is 365 and (ii) the fraction whose numerator is the number of actual calendar days elapsed during the leap year and whose denominator is 366.
- (iii) if “**Actual/Actual - FBF**” is specified in the relevant Final Terms in respect of each calculation, the fraction whose numerator is the actual number of calendar days elapsed during such period and whose denominator is 365 (or 366 if 29 February falls within the Calculation Period).
- (iv) if “**Actual/Actual - ICMA**” is specified in the relevant Final Terms:
 - (A) if the Calculation Period is equal to or shorter than the Determination Period during which it falls, the number of calendar days in the Calculation Period divided by the product of (x) the number of calendar days in such Determination Period and (y) the number of Determination Periods normally ending in any year; and
 - (B) if the Calculation Period is longer than one Determination Period, the sum of:
 - the number of calendar days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (1) the number of calendar days in such

Determination Period and (2) the number of Determination Periods normally ending in any year; and

- the number of calendar days in such Calculation Period falling in the next Determination Period divided by the product of (1) the number of calendar days in such Determination Period and (2) the number of Determination Periods normally ending in any year,

in each case where:

"Determination Period" means the period from and including a Determination Date in any year to but excluding the next Determination Date, and

"Determination Date" means the date specified as such in the relevant Final Terms or, if none is specified, the Interest Payment Date.

- (v) if **"Actual/365 (Fixed)"** is specified in the relevant Final Terms, the actual number of calendar days in the Calculation Period divided by 365.
- (vi) if **"Actual/360"** is specified in the relevant Final Terms, the actual number of calendar days in the Calculation Period divided by 360.
- (vii) if **"30/360"**, **"360/360"** or **"Bond Basis"** is specified in the relevant Final Terms, the number of calendar days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{DAY COUNT FRACTION} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D1" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30; and

- (viii) if **"30/360-FBF"** or **"Actual 30A/360 (American Bond Basis)"** is specified in the relevant Final Terms, in respect of each Calculation Period, the fraction whose denominator is three hundred and sixty (360) and whose numerator is the number of calendar days calculated as for 30E/360-FBF, subject to the following exception:

where the last day of the Calculation Period is the 31st and the 1st day is neither the 30th nor the 31st, the last month of the Calculation Period shall be deemed to be a month of 31 days,

using the same abbreviations as for 30E/360-FBF, the fraction is:

If dd2 = 31 and dd1 ≠ (30, 31)

then:

$$\frac{1}{360} \times [(yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + (dd2 - dd1)]$$

or

$$\frac{1}{360} \times [(yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + \text{Min}(dd2, 30) - \text{Min}(dd1, 30)];$$

- (ix) if “**30E/360**” or “**Eurobond Basis**” is specified in the relevant Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{DAY COUNT FRACTION} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“**Y1**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y2**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**M1**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**D2**” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D2 will be 30.

- (x) if “**30E/360 (ISDA)**” is specified in the relevant Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{DAY COUNT FRACTION} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

- (xi) if “**30E/360-FBF**” is specified in the relevant Final Terms, in respect of each Calculation Period, the fraction whose denominator is three hundred and sixty (360) and whose numerator is the number of calendar days elapsed during such period, calculated on the basis of a year comprising 12 months of 30 days, subject to the following the exception:

if the last day of the Calculation Period is the last day of the month of February, the number of days elapsed during such month shall be the actual number of days,

where:

- (c) If paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if otherwise, at the Relevant Screen Page Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market or, if otherwise, the Relevant Inter-Bank Market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), if the

Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if otherwise, at the Relevant Screen Page Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market, if the Reference Rate is EURIBOR, the Euro zone inter-bank market or, if otherwise, the Relevant Inter-Bank Market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (d) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being CMS Rate, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be determined by the Calculation Agent by reference to the following formula:

$$\text{CMS Rate} + \text{Margin}$$

If the Relevant Screen Page is not available at the Specified Time on the relevant Interest Determination Date: (i) the Calculation Agent shall request each of the CMS Reference Banks to provide the Calculation Agent with its quotation for the Relevant Swap Rate at approximately the Specified Time on the relevant Interest Determination Date; (ii) if at least five of the CMS Reference Banks provide the Calculation Agent with such quotations, the CMS Rate for such Interest Accrual Period shall be the arithmetic mean of such quotations, eliminating the highest quotation (or, in the event of equality, one of the highest quotations) and the lowest quotation (or, in the event of equality, one of the lowest quotations) and (iii) if on any Interest Determination Date less than three or none of the CMS Reference Banks provides the Calculation Agent with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Calculation Agent on such commercial basis as considered appropriate by the Calculation Agent in its absolute discretion, in accordance with the then prevailing standard market practice.

For the purposes of this sub-paragraph (d):

(D) Benchmark discontinuation

(a) Independent Adviser

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined in accordance with Condition 5(c)(iii)(C) and if a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 5(c)(iii)(D)(b) and, in either case, an Adjustment Spread if any (in accordance with

Condition 5(c)(iii)(D)(c) and any Benchmark Amendments (in accordance with Condition 5(c)(iii)(D)(d)).

In making such determination, the Independent Adviser appointed pursuant to this Condition 5(c)(iii)(D) shall act in good faith in a commercially reasonable manner as an independent expert and in consultation with the Issuer. The Issuer will not take any discretionary decision on the basis of such consultation. In the absence of bad faith, manifest error or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Paying Agents, or the Noteholders, the Receiptholders or the Couponholders for any determination made by it, pursuant to this Condition 5(c)(iii)(D).

If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 5(c)(iii)(D)(a) prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest. Where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period shall be substituted in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period. For the avoidance of doubt, this Condition 5(c)(iii)(D)(a) shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 5(c)(iii)(D)(a).

(b) Successor Rate or Alternative Rate

If the Independent Adviser, determines that:

- (i) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 5(c)(iii)(D)(c)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 5(c)(iii)(D)); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 5(c)(iii)(D)(c)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant

component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 5(c)(iii)(D)).

(c) Adjustment Spread

If the Independent Adviser, determines (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be).

(d) Benchmark Amendments

If any Successor Rate or any Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 5(c)(iii)(D) and the Independent Adviser, determines (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate or such Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the **"Benchmark Amendments"**) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 5(c)(iii)(D)(e), without any requirement for the consent or approval of Noteholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice.

For the avoidance of doubt, and in connection with any such variation in accordance with this Condition 5(c)(iii)(D)(d), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(e) Notices

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 5(c)(iii)(D) will be notified promptly by the Issuer, after receiving such information from the Independent Adviser, to the Fiscal Agent, the Calculation Agent, the Paying Agents, the Representative of the Masse and, in accordance with Condition 15, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Noteholders and the Representative of the Masse of the same, the Issuer shall deliver to the Fiscal Agent, the Calculation Agent and the Paying Agents a certificate signed by any authorised signatory of the Issuer and the Independent Adviser:

- (i) confirming, on the basis of the determination of the Independent Adviser (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) where applicable, any Adjustment Spread and (iv) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 5(c)(iii)(D); and
- (ii) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

The Fiscal Agent shall display such certificate at its offices, for inspection by the Noteholders at all reasonable times during normal business hours.

Each of the Fiscal Agent, the Calculation Agent and the Paying Agents shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Fiscal Agent's, the Calculation Agent's or the Paying Agents' ability to rely on such certificate as aforesaid) be binding on the Issuer, the Fiscal Agent, the Calculation Agent, the Paying Agent and the Noteholders.

(f) Survival of Original Reference Rate

Without prejudice to the obligations of the Issuer under Condition 5(c)(iii)(D) (a), (b), (c) and (d), the Original Reference Rate and the fallback provisions provided for in Condition 5(c)(iii)(B) will continue to apply unless and until a Benchmark Event has occurred.

(g) New Benchmark Event in respect of the Successor Rate or Alternative Rate

If Benchmark Amendments have been implemented pursuant to this Condition 5(c)(iii)(D) and a new Benchmark Event occurs in respect of the then applicable Successor Rate or Alternative Rate, the provisions of this Condition 5(c)(iii)(D) shall apply as if

the Successor Rate or Alternative Rate were the Original Reference Rate.

(E) Linear Interpolation

Where Linear Interpolation is specified in the relevant Final Terms in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two (2) rate based on the relevant FBF Rate (if specified as applicable in the applicable Final terms), the relevant Reference Rate (where Screen Rate Determination is specified in the relevant Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified in the relevant Final Terms), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period.

For the purposes of this sub-paragraph (E), “**Applicable Maturity**” means: (a) in relation to FBF Determination, the period of time specified in the relevant FBF Rate, (b) in relation to Screen Rate Determination, the period of time designated in the Reference Rate, and (c) in relation to ISDA Determination, the Designated Maturity.

(iv) *Rate of Interest for Inflation Linked Notes:*

1. Consumer Price Index (CPI)

Where the consumer price index excluding tobacco for all households in metropolitan France, as calculated and published by the *Institut National de la Statistique et des Etudes Economiques* (the “**INSEE**”) (“**CPI**”) is specified as the Index in the relevant Final Terms, this Condition 5(c)(iv)1 shall apply. Terms defined herein shall have the meanings set out below only when this Condition 5(c)(iv)1 shall apply.

The Rate of Interest in respect of Inflation Linked Notes indexed to the CPI (the “**CPI Linked Interest**”) will be determined by the Calculation Agent on the following basis:

- (A) On the fifth Business Day before each Interest Payment Date (an “**Interest Determination Date**”) the Calculation Agent will calculate the Inflation Index Ratio.

For the purpose of this Condition 5(c)(iv)1, the “**Inflation Index Ratio**” or “**IIR**” is the ratio between (i) the CPI Daily Inflation Reference Index (as defined below) applicable upon any Interest Payment Date or the redemption date, as the case may be and (ii) the base reference defined as the CPI Daily Inflation Reference Index (as defined below) applicable on the date specified in the applicable Final Terms (the “**Base Reference**”). Notwithstanding Condition 5(g)(iii), the IIR will be rounded if necessary to five significant figures (with halves being rounded up).

“CPI Daily Inflation Reference Index” means (A) in relation to the first day of any given month, the CPI Monthly Reference Index of the third month preceding such month, and (B) in relation to a day (D) (other than the first day) in any given month (M), the linear interpolation of the CPI Monthly Reference Index pertaining respectively to the third month preceding such month (M - 3) and the second month preceding such month (M - 2) calculated in accordance with the following formula:

CPI Daily Inflation Reference Index=

$$\text{CPI Monthly Reference Index}_{M-3} + \frac{D-1}{ND_M} \times (\text{CPI Monthly Reference Index}_{M-2} - \text{CPI Monthly Reference Index}_{M-3})$$

With:

“ND_M”: number of days in the relevant month M and, in the case of payment of principal and interest, shall be equal to 31;

“D”: actual day of payment in the relevant month M and, in the case of payment of principal and interest, shall be equal to 25;

“CPI Monthly Reference Index_{M-2}”: price index of month M - 2;

“CPI Monthly Reference Index_{M-3}”: price index of month M - 3.

Notwithstanding Condition 5(g)(iii), the CPI Daily Inflation Reference Index will be rounded if necessary to five significant figures (with halves being rounded up).

For information purposes, such CPI Daily Inflation Reference Index appears on the *Agence France Trésor* Reuters page OATINFLATION01 or on Bloomberg TRESOR <GO> pages and on the website <https://www.aft.gouv.fr/>. In the case of doubt in the interpretation of the methods used to calculate the Inflation Index Ratio, such methods shall be interpreted by reference to the procedures selected by the French Treasury (*Trésor*) for its *obligations assimilables du Trésor indexées sur l'inflation*.

“CPI Monthly Reference Index” refers to the definitive consumer price index excluding tobacco for all households in metropolitan France, as calculated and published monthly by the INSEE as such index may be adjusted or replaced from time to time as provided herein.

- (B) The calculation method described below is based on the recommendation issued by the French Bond Association (*Comité de Normalisation Obligataire* – <http://www.cnofrance.org/>) in its December 2010 Paper entitled *“Inflation Indexed Notes”* (*Obligations et autres instruments de taux d'intérêt en euro, Normes et usages des marchés de capitaux – Chapitre II: Les obligations indexées sur l'inflation*). In the case of any conflict between the calculation method provided below and the calculation method provided by the Bond Association (*Comité de Normalisation Obligataire*), the calculation method provided by the

Bond Association (*Comité de Normalisation Obligataire*) shall prevail.

The CPI Linked Interest applicable from time to time for each Interest Period (as specified in the relevant Final Terms) will be equal to the rate per annum specified in the relevant Final Terms multiplied by the Inflation Index Ratio (as defined above).

(C)

(1) If the CPI Monthly Reference Index is not published in a timely manner, a substitute CPI Monthly Reference Index (the “**Substitute CPI Monthly Reference Index**”) shall be determined by the Calculation Agent in accordance with the following provisions:

(x) If a provisional CPI Monthly Reference Index (*indice provisoire*) has already been published, such index shall automatically be used as the Substitute CPI Monthly Reference Index. Such provisional CPI Monthly Reference Index would be published under the heading “*indice de substitution*”. Once the definitive CPI Monthly Reference Index is released, it would automatically apply from the day following its release to all calculations taking place from this date.

(y) If no provisional CPI Monthly Reference Index is available, a substitute index shall be calculated on the basis of the most recently published figure adjusted as set out in the following formula:

Substitute CPI Monthly Reference Index_M=

$$\text{CPI Monthly Reference Index}_{M-1} \times \frac{\text{CPI Monthly Reference Index}_{M-1}^{\frac{1}{12}}}{\text{CPI Monthly Reference Index}_{M-13}}$$

(2) In the event INSEE decides to proceed with one or more base changes for the purpose of calculating the CPI Monthly Reference Index, the two CPI Monthly Reference Indexes which have been calculated on a different basis will be chained on the basis of the December CPI Monthly Reference Index of the last year of joint publications, which corresponds to the CPI Daily Inflation Reference Index for 1st March of the following year. Such chaining will be carried out in accordance with the following equation:

$$\text{Key} = \frac{\text{CPI Monthly Reference Index}_{\text{pertaining to December calculated on the new basis}}}{\text{CPI Monthly Reference Index}_{\text{pertaining to December calculated on the previous basis}}}$$

Such that:

$$\text{CPI Monthly Reference Index}_{\text{New Basis}}^{\text{Date D}} = \text{CPI Monthly Reference Index}_{\text{Previous Basis}}^{\text{Date D}} \times \text{Key}$$

2. Harmonised Index of Consumer Prices (HICP)

Where the harmonised index of consumer prices excluding tobacco measuring the rate of inflation in the European Monetary Union excluding tobacco as calculated and published monthly by Eurostat (the “**HICP**”) is specified as the Index in the relevant Final Terms, this Condition 5(c)(iv)2 shall apply. Terms defined herein shall have the meanings set out below only when this Condition 5(c)(iv)2 shall apply.

The Rate of Interest in respect of Inflation Linked Notes indexed to the HICP (the “**HICP Linked Interest**”) will be determined by the Calculation Agent on the following basis:

- (A) On the fifth Business Day before each Interest Payment Date (an “**Interest Determination Date**”) the Calculation Agent will calculate the Inflation Index Ratio.

For the purpose of this Condition 5(c)(iv)2, the “**Inflation Index Ratio**” or “**IIR**” is the ratio between (i) the HICP Daily Inflation Reference Index (as defined below) applicable upon any Interest Payment Date or the redemption date, as the case may be and (ii) the base reference defined as the HICP Daily Inflation Reference Index (as defined below) applicable on the date specified in the applicable Final Terms (the “**Base Reference**”). Notwithstanding Condition 5(g)(iii), the IIR will be rounded if necessary to five significant figures (with halves being rounded up).

“**HICP Daily Inflation Reference Index**” means (A) in relation to the first day of any given month, the HICP Monthly Reference Index of the third month preceding such month, and (B) in relation to a day (D) (other than the first day) in any given month (M), the linear interpolation of the HICP Monthly Reference Index pertaining respectively to the third month preceding such month (M - 3) and the second month preceding such month (M - 2) calculated in accordance with the following formula:

HICP Daily Inflation Reference Index =

$$\text{HICP Monthly Reference Index}_{M-3} + \frac{D-1}{\text{ND}_M} \times (\text{HICP Monthly Reference Index}_{M-2} - \text{HICP Monthly Reference Index}_{M-3})$$

With:

“**ND_M**”: number of days in the relevant month M and, in the case of payment of principal and interest, shall be equal to 31;

“**D**”: actual day of payment in the relevant month M and, in the case of payment of principal and interest, shall be equal to 25;

“HICP Monthly Reference Index $M-2$ ”: price index of month $M - 2$;

“HICP Monthly Reference Index $M-3$ ”: price index of month $M - 3$.

Notwithstanding Condition 5(g)(iii), the HICP Daily Inflation Reference Index will be rounded if necessary to five significant figures (with halves being rounded up).

For information purposes, such HICP Daily Inflation Reference Index appears on the *Agence France Trésor* Reuters page OATEI01, on the website <https://www.aft.gouv.fr/> and on Bloomberg page TRESOR.

“HICP Monthly Reference Index” refers to the harmonised index of consumer prices excluding tobacco measuring the rate of inflation in the European Monetary Union excluding tobacco as calculated and published by Eurostat as such index may be adjusted or replaced from time to time as provided herein.

(B) The HICP Linked Interest applicable from time to time for each Interest Period (as specified in the relevant Final Terms) will be equal to the rate per annum specified in the relevant Final Terms multiplied by the Inflation Index Ratio (as defined above).

(C)

(1) If the HICP Monthly Reference Index is not published in a timely manner, a substitute HICP Monthly Reference Index (the **“Substitute HICP Monthly Reference Index”**) shall be determined by the Calculation Agent in accordance with the following provisions:

(x) If a provisional HICP Monthly Reference Index has already been published by Eurostat, such index shall automatically be used as the Substitute HICP Monthly Reference Index. Once the definitive HICP Monthly Reference Index is released, it would automatically apply from the day following its release to all calculations taking place from this date.

(y) If no provisional HICP Monthly Reference Index is available, a substitute index shall be calculated on the basis of the most recently published figure adjusted as set out in the following formula:

Substitute HICP Monthly Reference Index $_M$ =

$$\text{HICP Monthly Reference Index}_{M-1} \times \frac{\text{HICP Monthly Reference Index}_{M-12}^{\frac{1}{12}}}{\text{HICP Monthly Reference Index}_{M-13}}$$

- (2) In the event Eurostat decides to proceed with one or more base changes for the purpose of calculating the HICP Monthly Reference Index, the two HICP Monthly Reference Indexes which have been calculated on a different basis will be chained on the basis of the December HICP Monthly Reference Index of the last year of joint publications, which corresponds to the HICP Daily Inflation Reference Index for 1st March of the following year. Such chaining will be carried out in accordance with the following equation:

$$\text{Key} = \frac{\text{HICP Monthly Reference Index}_{\text{pertaining to December calculated on the new basis}}}{\text{HICP Monthly Reference Index}_{\text{pertaining to December calculated on the previous basis}}}$$

Such that:

$$\text{HICPMonthlyReferenceIndex}_{\text{DateD}_{\text{NewBasis}}} = \text{HICPMonthlyReferenceIndex}_{\text{DateD}_{\text{PreviousBasis}}} \times \text{Key}$$

- (d) **Fixed/Floating Rate Notes:** Fixed/Floating Rate Notes may bear interest at a rate (i) that the Issuer may elect to convert, upon giving not less than fifteen (15) calendar days' prior notice in accordance with Condition 15, on the date set out in the Final Terms from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate (the "**Optional Change of Interest Date**") or (ii) that will automatically change from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate on the date set out in the Final Terms (the "**Automatic Change of Interest Date**").
- (e) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall, be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(i)(j)).
- (f) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgement) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date.
- (g) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, and Rounding:**
- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.

- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be. In no event shall the applicable rate of interest (including, for the sake of clarity, any applicable margin) be less than zero.
 - (iii) For the purposes of any calculations required pursuant to these Conditions,
 - (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up),
 - (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and
 - (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of Yen, which shall be rounded down to the nearest Yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.
- (h) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.
- (i) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts, Early Redemption Amounts and Instalment Amounts:** The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date

or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 9, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (j) **Calculation Agent:** The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined in Condition 4). Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.
- (k) **RMB Notes:** Notwithstanding the foregoing, each RMB Note which is a Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate per annum equal to the Rate of Interest. For the purposes of calculating the amount of interest, if any Interest Payment Date would otherwise fall on a day which is not a Business Day, it shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month in which case it shall be brought forward to the immediately preceding Business Day. Interest will be payable in arrear on each Interest Payment Date.

The Calculation Agent will, as soon as practicable after 11.00 a.m. (Hong Kong time) on each Interest Determination Date, calculate the amount of interest payable per Specified Denomination for the relevant Interest Period. The determination of the amount of interest payable per Specified Denomination by the Calculation Agent shall (in the absence of manifest error and after confirmation by the Issuer) be final and binding upon all parties.

The Calculation Agent will cause the amount of interest payable per Specified Denomination for each Interest Period and the relevant Interest Payment Date to be notified to each of the Paying Agents and to be notified to Noteholders as soon as possible after their determination but in no event later than the fourth Business Day thereafter. The amount of interest payable per Specified Denomination and

Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an adjustment of the Interest Period if the Interest Payment Date is not a Business Day. If the Notes become due and payable under Condition 9, the accrued interest per Specified Denomination shall nevertheless continue to be calculated as previously by the Calculation Agent in accordance with this provision but no publication of the amount of interest payable per Specified Denomination so calculated need be made.

Interest shall be calculated in respect of any period by applying the Rate of Interest to the Specified Denomination, multiplying such product by the actual number of days in the relevant Interest Period or, as applicable, other period concerned and dividing it by 365, and rounding the resultant figure to the nearest Renminbi sub-unit, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

6 Redemption, Purchase and Options

- (a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within Condition 6(b) below, its final Instalment Amount.
- (b) **Redemption by Instalments:** Unless previously redeemed, purchased and cancelled as provided in this Condition 6, each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Notes, on the due date for such payment or (ii) in the case of Materialised Notes, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (c) **Residual Call Option:** If a Residual Call Option is specified in the relevant Final Terms, the Issuer may, on giving not less than 15 nor more than 30 calendar days' irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem, at any time as from the Call Option Date (as specified in the Final Terms) which shall be no earlier than 180 calendar days before the Maturity Date, until the Maturity Date, the Notes, in whole but not in part, at par together with interest accrued to, but excluding, the date fixed for redemption.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

- (d) **Make-Whole Redemption by the Issuer:** If a Make-Whole Redemption by the Issuer is specified in the relevant Final Terms, in respect of any issue of

Notes, the Issuer may, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than 15 nor more than 30 calendar days' irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem the Notes, in whole or in part, at any time or from time to time, prior to their Maturity Date (the "**Optional Redemption Date**") at their Optional Redemption Amount. The Optional Redemption Amount will be calculated by the Calculation Agent and will be the greater of (x) 100 per cent. of the nominal amount of the Notes so redeemed and, (y) the sum of the then present values of the remaining scheduled payments of principal and interest on such Notes (not including any interest accrued on the Notes to, but excluding, the relevant Optional Redemption Date) discounted to the relevant Optional Redemption Date on an annual basis at the Redemption Rate plus a Redemption Margin (as specified in the relevant Final Terms), plus in each case (x) or (y) above, any interest accrued on the Notes to, but excluding, the Optional Redemption Date.

If a Residual Call Option is specified in the relevant Final Terms and if the Issuer decides to redeem the Notes pursuant to the Make-Whole Redemption by the Issuer before the Call Option Date (as specified in the relevant Final Terms) pursuant to Condition 6(c) above, the Optional Redemption Amount in respect of the Make Whole Redemption by the Issuer will be calculated taking into account the Call Option Date and not the Maturity Date.

The "**Redemption Rate**" is the average of the five quotations (eliminating the highest quotation (or, in the event of equality, one of the highest quotations) and the lowest quotation (or, in the event of equality, one of the lowest quotations)) given by the Reference Dealers of the mid-market annual yield to maturity of the Reference Security (as specified in the relevant Final Terms) on the fourth business day preceding the Optional Redemption Date at 11.00 a.m. (Central European time (CET)).

"**Reference Dealers**" means each of the four banks selected by the Calculation Agent which are primary European government security dealers, and their respective successors, or market makers in pricing corporate bond issues or as specified in the relevant Final Terms.

If the Reference Security is no longer outstanding, a Similar Security (as specified in the relevant Final Terms) will be chosen by the Calculation Agent at 11.00 a.m. (Central European time (CET)) on the third business day in London preceding the Optional Redemption Date, quoted in writing by the Calculation Agent to the Issuer and notified in accordance with Condition 15.

The Redemption Rate will be notified by the Issuer in accordance with Condition 15.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

In the case of a partial redemption, the relevant provisions of Condition 6(f) shall apply *mutatis mutandis* to this Condition 6(d).

- (e) **Clean-up Call Option:** If a Clean-up Call Option is specified in the relevant Final Terms and if at least 80 per cent. of the initial aggregate nominal amount of the Notes of the same Series have been redeemed or purchased and, in each case, cancelled, the Issuer may on giving not less than 15 nor more than 30 calendar days' notice to the Noteholders redeem the Notes, in whole but not in part, at their Clean-Up Redemption Amount together with any interest accrued to the date set for redemption (as specified in the relevant Final Terms).
- (f) **Redemption at the Option of the Issuer and Partial Redemption:** If a Call Option is specified in the relevant Final Terms, the Issuer may, on giving not less than 15 nor more than 30 calendar days' irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem, all or, if so provided in the relevant Final Terms, some, of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to, but excluding, the date fixed for redemption, if any. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the number of the Definitive Materialised Bearer Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements of the Regulated Market on which the Notes are listed and admitted to trading.

In the case of a partial redemption in respect of Dematerialised Notes of any Series, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Notes in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully redeemed and those Dematerialised Notes that will not be redeemed shall be made in accordance with Article R.213-16 of the Code, subject to compliance with any other applicable laws and stock exchange or other relevant authority requirements.

So long as the Notes are listed and admitted to trading on Euronext Paris or on any Regulated Market and the rules of such Regulated Market so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in accordance with Articles 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the *Autorité des marchés financiers* (the "**AMF**") and on the website of any other

competent authority and/or Regulated Market where the Notes are listed and admitted to trading, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes, a list of any Definitive Materialised Bearer Notes drawn for redemption but not surrendered.

- (g) **Redemption on Acquisition Event:** If an Acquisition Event Call Option is specified in the relevant Final Terms and an Acquisition Event (as defined below) occurs, the Issuer may, on giving promptly and in any event not more than 60 calendar days after the occurrence of such Acquisition Event and not more than 30 nor less than 15 calendar days before the date set for redemption, irrevocable notice to the Noteholders in accordance with Condition 15, subject to having also given notice to the Fiscal Agent, redeem in whole or in part or, if so specified in the relevant Final Terms, in whole only, the Notes at the Optional Redemption Amount specified in the relevant Final Terms together, if appropriate, with any interest accrued to the date fixed for redemption. The Issuer may waive its right to call the Notes in accordance with this Condition 6(g) by giving notice (which shall be irrevocable) pursuant to Condition 15.

If an Acquisition Event Call Option is specified in the relevant Final Terms, the Issuer shall not be entitled, during a period of 12 months following the exercise by the Issuer of such Acquisition Event Call Option to exercise a Clean-up Call Option in accordance with Condition 6(e) with respect to such Notes.

An "**Acquisition Event**" shall have occurred if:

- (i) on or prior to the Acquisition Event Limit Date specified in the relevant Final Terms, the Issuer has not completed and closed the acquisition of the Targeted Company (as specified in the relevant Final Terms); or
- (ii) the Issuer has publicly stated that it no longer intends to pursue the acquisition of the Targeted Company.

In the case of a partial redemption, the relevant provisions of Condition 6(f) shall apply *mutatis mutandis* to this Condition 6(g).

- (h) **Redemption at the Option of Noteholders:** If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than 15 nor more than 30 calendar days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the Noteholder must deposit with a Paying Agent at its specified office during usual business hours a duly completed option exercise notice (the "**Exercise Notice**") in the form obtainable during usual business hours from any Paying Agent, within the notice period. In the case of Materialised Bearer Notes, the Exercise Notice shall have attached to it the relevant Notes (together with all unmatured Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder

shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Fiscal Agent or the Paying Agent with a specified office in Paris as specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

- (i) **Redemption of Inflation Linked Notes:** If so specified in the relevant Final Terms, the Final Redemption Amount in respect of Inflation Linked Notes will be determined by the Calculation Agent on the following basis:

Final Redemption Amount = IIR x nominal amount of the Notes

“IIR” being for the purpose of this Condition 6(i) the ratio determined on the fifth Business Day before the Maturity Date between either (i) if the CPI is specified as the Index applicable in the Final Terms, the CPI Daily Inflation Reference Index or (ii) if the HICP is specified as the Index applicable in the Final Terms, the HICP Daily Inflation Reference Index, on the Maturity Date and the Base Reference on the date specified in the relevant Final Terms.

If the Final Redemption Amount calculated as set out above is below par, the Notes will be redeemed at par.

- (j) **Early Redemption:**

(i) *Zero Coupon Notes:*

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to Condition 6(k) or Condition 6(o) or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Nominal Amount (calculated as provided below) of such Note.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(k) or Condition 6(o) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable were the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the

Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(f).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the relevant Final Terms.

(ii) Inflation Linked Notes:

- (A) If the relevant Final Terms provides that Condition 6(i) shall apply in respect of Inflation Linked Notes, the Early Redemption Amount upon redemption of such Notes pursuant to Condition 6(k) or Condition 6(o) or upon it becoming due and payable as provided in Condition 9, the Put Amount, the Optional Redemption Amount in respect of such Notes will be determined by the Calculation Agent on the following basis:

Early Redemption Amount/Put Amount = IIR x nominal amount of the Notes

“IIR” being for the purposes of this Condition the ratio determined on the fifth Business Day before the date set for redemption between either (i) if the CPI is specified as the Index applicable in the Final Terms, the CPI Daily Inflation Reference Index or (ii) if the HICP is specified as the Index applicable in the Final Terms, the HICP Daily Inflation Reference Index on the date set for redemption and the Base Reference specified in the relevant Final Terms.

If the Early Redemption Amount calculated as set out above is below par, the Notes will be redeemed at par.

- (B) If the Inflation Linked Notes (whether or not Condition 6(i) applies) fall to be redeemed for whatever reason before the Maturity Date, the Issuer will pay the Early Redemption Amount together with interest accrued to the date set for redemption. Such accrued interest will be calculated by the Calculation Agent in respect of the period from, and including the immediately preceding Interest Payment Date or, as the case may be, the Interest Commencement Date to, but excluding, the date set for redemption of such Notes at a rate per annum on the basis of the provisions of Condition 5(c)(iv) above except that, for such purposes the relevant Interest Determination Date shall be the fifth Business Day prior to the relevant Early Redemption Date.

(iii) *Other Notes*: The Early Redemption Amount payable in respect of any Note (other than Notes described paragraphs “Zero Coupon Notes” and “Inflation Linked Notes” above), upon redemption of *such* Note pursuant to Condition 6(k) or Condition 6(o), or upon it becoming due and payable as provided in Condition 9 shall be the Final Redemption Amount.

(k) **Redemption for Taxation Reasons:**

(i) If, by reason of any change in, or any change in the official application or interpretation of, French law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes or Coupons, not be able to make such payment without having to pay additional amounts as specified under Condition 8 below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than 45 nor less than 30 calendar days’ notice to the Noteholders or, if applicable, to the holders of Coupons (the “**Couponholders**”) (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for such French taxes.

(ii) If the Issuer would, on the next payment of principal or interest in respect of the Notes or Coupons, be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8 below, then the Issuer, shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven calendar days’ prior notice to the Noteholders or, if applicable, the Couponholders in accordance with Condition 15, redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount (as described in Condition 6(j) above) together with any interest accrued to the date set for redemption on the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes or, if applicable, Receipts or Coupons, or, if that date is passed, as soon as practicable thereafter, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders or, if applicable, the Couponholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) fourteen (14) calendar days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Receipts or Coupons.

(l) **Early redemption of the Notes at the option of Noteholders following a Change of Control:**

If Change of Control Put Option is specified in the relevant Final Terms and if, at any time while any Note remains outstanding, there occurs a Change of Control and within the Change of Control Period, a Rating Downgrade occurs or has occurred as a result of such Change of Control (the “**Put Event**”), the holder of each Note will have the option, (the “**Change of Control Put Option**”) (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the Notes under Condition 6(k)) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of that Note, on the Optional Redemption Date at its principal amount together with (or where purchased, together with an amount equal to) interest accrued to, but excluding, the Optional Redemption Date.

For the purpose of this Condition 6(l):

“**Change of Control**” shall be deemed to have occurred each time that any person or group of persons acting in concert or any person or persons acting on behalf of any such person(s) (a “**Relevant Person**”) in each case come(s) to own or acquire(s) directly or indirectly such number of shares in the capital of the Issuer carrying more than 50 per cent. of the voting rights exercisable at a general meeting of the Issuer.

“**Change of Control Period**” means pursuant to a Change of Control:

- (i) the period starting the earlier of (x) the date of the first public announcement of the result (*avis de résultat*) by the AMF (or any other competent authority) of the relevant Change of Control or (y) the date of the first public announcement by the Issuer of the relevant Change of Control; and in each case (x) and (y), ending on the date which is 120 calendar days thereafter (inclusive); or
- (ii) the period commencing 180 calendar days prior to the date of the first public announcement of the result (*avis de résultat*) by the AMF (or any other competent authority) of the relevant Change of Control and ending on the date of such announcement (inclusive).

A “**Rating Downgrade**” shall be deemed to have occurred in respect of a Change of Control if:

- (i) within the Change of Control Period:
 - (A) the investment grade credit rating (Baa3/BBB-, or their respective equivalents, or better) previously assigned to the Notes by any Rating Agency is (x) either downgraded to a non-investment grade credit rating (Ba1/BB+, or their respective equivalents, or worse) (a “**Non-Investment Grade Rating**”) or withdrawn and (y) is not within the Change of Control Period subsequently (in the case of a downgrade) upgraded or (in the case of a withdrawal) reinstated to an investment grade credit rating by such Rating Agency; or

- (B) the Non-Investment Grade Rating (Ba1/BB+, or their respective equivalents, or worse) assigned to the Notes by any Rating Agency is (x) downgraded by one or more notches (for illustration, Ba1/BB+ to Ba2/BB being one notch or such similar lowering) or withdrawn and (y) is not within the Change of Control Period subsequently (in the case of a downgrade) upgraded or (in the case of a withdrawal) reinstated to its earlier credit rating or better by such Rating Agency; or
- (C) the Notes have no credit rating, and no Rating Agency assigns within the Change of Control Period an investment grade credit rating to the Notes, unless the Issuer has a credit rating from a Rating Agency, in which case paragraphs (A) and (B), as the case may be, shall apply to the credit rating assigned to the Issuer by any Rating Agency; and

provided that if at the time of the occurrence of the Change of Control the Notes carry a credit rating from more than one Rating Agency, at least one of which is investment grade; the sub-paragraph (A) will apply and

- (ii) in making the relevant decision(s) referred to in (A) and (B) above, the Relevant Rating Agency announces publicly or confirms in writing to the Issuer that such decision(s) resulted, in whole or mainly from the occurrence of the Change of Control, provided that if the rating designations employed by the Rating Agencies are changed from those in force at the time of the Issue Date, the Issuer shall determine the rating designations of the Rating Agencies as are most equivalent to the prior rating designations of the Rating Agencies and this Condition 6 shall be read accordingly.

“Rating Agency” means S&P Global Ratings or Moody's Investors Service Limited or any other rating agency of equivalent international standing solicited by the Issuer to grant a corporate credit rating to the Issuer or to the Notes and, in each case, their respective successors or affiliates.

Promptly upon the Issuer becoming aware that a Put Event has occurred, the Issuer shall give notice (a **“Put Event Notice”**) to the Noteholders in accordance with Condition 15 specifying the nature of the Put Event, the circumstances giving rise to it and the procedure for exercising the Change of Control Put Option contained in this Condition 6(l).

To exercise the Change of Control Put Option to require redemption or, as the case may be, purchase of the Notes following a Put Event, a Noteholder must transfer or cause to be transferred its Notes to be so redeemed or purchased to the account of the Fiscal Agent specified in the Put Option Notice (as defined below) for the account of the Issuer within the period of 45 calendar days after the Put Event Notice is given (the **“Put Period”**) together with a duly signed and completed notice of exercise (a **“Put Option Notice”**) and in which the holder shall specify a bank account to which payment is to be made under this Condition 6(l).

A Put Option Notice once given shall be irrevocable. The Issuer shall redeem or, at the option of the Issuer, procure the purchase of the Notes in respect of which the Change of Control Put Option has been validly exercised as provided above and subject to the transfer of such Notes to the account of the Fiscal Agent for the account of the Issuer, on the date which is the fifth (5th) business day in Paris following the end of the Put Period (the “**Optional Redemption Date**”). Payment in respect of such Notes will be made on the Optional Redemption Date by transfer to the bank account specified in the Put Option Notice and otherwise subject to the provisions of Condition 7.²

- (m) **Purchases:** The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price. Unless the possibility of holding and reselling is expressly excluded in the relevant Final Terms, all Notes so purchased by or on behalf of the Issuer may be cancelled or held and resold in accordance with applicable laws and regulations.
- (n) **Cancellation:** All Notes purchased for cancellation by or on behalf of the Issuer will forthwith be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Bearer Notes, by surrendering the Materialised Bearer Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, will, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.
- (o) **Illegality:** If, by reason of any change in French law or any change in the official application of such law, becoming effective after the Issue Date, it will become unlawful for the Issuer to perform or comply with one or more of its obligations under the Notes, the Issuer will, subject to having given not more than 45 nor less than 30 calendar days’ notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption.

² *For the avoidance of doubt, the Issuer shall have no responsibility for any cost or loss of whatever kind (including breakage costs) which the Noteholder may incur as a result of or in connection with such Noteholder’s exercise or purported exercise of, or otherwise in connection with, any Change of Control Put Option (whether as a result of any purchase or redemption arising there from or otherwise).*

- (b) **Materialised Bearer Notes:** Payments of principal and interest in respect of Materialised Bearer Notes shall, subject as mentioned below, be made against presentation and surrender during usual business hours of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Materialised Bearer Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, (i) in the case of a currency other than Renminbi, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with, a Bank and (ii) in the case of Renminbi, by transfer to a Renminbi account maintained by or on behalf of the Noteholder with a Bank. “**Bank**” means a bank in the principal financial centre for such currency or, in the case of Renminbi in Hong Kong, and in the case of euro, in a city in which banks have access to the TARGET System.
- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Bearer Notes are denominated in US dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Materialised Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.
- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 8. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Registration Agent, the Consolidation Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying Agents having specified offices in at least two major European cities, (v) in the case of Dematerialised Notes, in fully registered form, a Registration Agent and (vi) such other agents as may be required by the rules of any other Regulated Market on which the Notes may be listed and admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Bearer Notes denominated in US dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 15.

- (i) Upon the due date for redemption of Materialised Bearer Notes which comprise Fixed Rate Notes (other than Index Linked Notes), should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10) provided that, if any Materialised Bearer Note should be issued with a

maturity date and an Interest Rate or Rates such that, on the presentation for payment of any such Note without any unmatured Coupons attached thereto or surrendered therewith, the amount required to be deducted in respect of such unmatured Coupons would be greater than the relevant Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Note, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the foregoing provisions in respect of such Coupons as have not so become void, the amount required by this paragraph to be deducted would not be greater than the relevant Redemption Amount otherwise due for payment. Where the application of the foregoing provisions requires some but not all of the unmatured Coupons relating to a Materialised Bearer Note to become void and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

- (iv) Upon the due date for redemption of any Materialised Bearer Note that is redeemable in instalments, all Receipts relating to such Materialised Bearer Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Materialised Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any such Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Materialised Bearer Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Bearer Note. Interest accrued on a Materialised Bearer Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Materialised Bearer Notes.

- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10).
- (h) **Non-Business Days:** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day, nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) on which banks and foreign exchange markets are open for business in such jurisdictions as shall be specified as “*Financial Centres*” in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than euro and Renminbi, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in euro, which is a TARGET Business Day, or (iii) in the case of a payment in Renminbi, on which banks and foreign exchange markets are open for business and settlement of Renminbi payments in Hong Kong.
- (i) **Payment of US Dollar Equivalent:** Notwithstanding any other provision in these Conditions, if an Inconvertibility, Non-Transferability or Illiquidity occurs or if Renminbi is otherwise not available to the Issuer as a result of circumstances beyond its control and such unavailability has been confirmed by a Renminbi Dealer, following which the Issuer is unable to satisfy payments of principal or interest (in whole or in part) in respect of RMB Notes, the Issuer on giving not less than five nor more than 30 calendar day irrevocable notice to the Noteholders prior to the due date for payment, may settle any such payment (in whole or in part) in US dollars on the due date at the US Dollar Equivalent of any such Renminbi denominated amount.

In such event, payments of the US Dollar Equivalent of the relevant principal or interest in respect of the Notes shall be made by transfer to the US dollar account of the relevant Account Holders for the benefit of the Noteholders. For the avoidance of doubt, no such payment of the US Dollar Equivalent shall by itself constitute a default in payment within the meaning of Condition 9.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 7(i) by the RMB Rate Calculation Agent, will (in the absence of manifest error) be binding on the Issuer, the Agents and all Noteholders.

“Inconvertibility” means the occurrence of any event that makes it impossible for the Issuer to convert any amount due in respect of RMB Notes in the general Renminbi exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

“Non-Transferability” means the occurrence of any event that makes it impossible for the Issuer to deliver Renminbi between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong or from an account outside Hong Kong to an account inside Hong Kong (including where the Renminbi clearing and settlement system for participating banks in Hong Kong is disrupted or suspended), other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

“Renminbi Dealer” means an independent foreign exchange dealer of international repute active in the Renminbi exchange market in Hong Kong reasonably selected by the Issuer.

If neither such rate is available, the RMB Rate Calculation Agent will determine the RMB Spot Rate at or around 11 a.m. (Hong Kong time) on the RMB Rate Calculation Date as the most recently available RMB/US dollar official fixing rate for settlement on the relevant due date for payment reported by The State Administration of Foreign Exchange of the PRC, which is reported on the Reuters Screen Page CNY=SAEC. Reference to a page on the Reuters Screen means the display page so designated on the Reuter Monitor Money Rates Service (or any successor service) or such other page as may replace that page for the purpose of displaying a comparable currency exchange rate.

(iii) **Powers of the Representative:**

The Representative shall (in the absence of any decision to the contrary of the *masse*) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

The Representative may not interfere in the management of the affairs of the Issuer.

(iv) **General Meeting:**

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may

address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, time, place and agenda of any General Meeting will be published as provided under Condition 15 not less than 15 calendar days prior to the date of such General Meeting on first convocation and not less than 10 calendar days prior to the date of the General Meeting on second convocation.

Each Noteholder has the right to participate in a General Meeting in person, by proxy, correspondence, or videoconference or any other means of telecommunications allowing the identification of the participating Noteholders as provided *mutatis mutandis* by Article R.225-97 of the French *Code de commerce*. Each Note carries the right to one vote or, in the case of Notes issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Note.

(v) **Powers of the General Meetings:**

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternate Representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase the liabilities (*charges*) of the Noteholders, nor establish any unequal treatment between the Noteholders, nor to decide to convert Notes into shares.

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least one fifth of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by Noteholders attending such General Meetings or represented thereat.

In accordance with Article R.228-71 of the French *Code de commerce*, the rights of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder as of 0:00, Paris time on the second business day in Paris preceding the date set for the meeting of the relevant General Meeting.

Decisions of General Meetings and Consultations in Writing once approved must be published in accordance with the provisions set forth in Condition 15.

(vi) **Consultation in Writing:**

Pursuant to Article L.228-46-1 of the French *Code de commerce*, but in respect of any Series of Dematerialised Notes only, the Issuer shall be entitled in lieu of the holding of a General Meeting to seek approval of a resolution from the Noteholders by way of a consultation in writing (a “**Consultation in Writing**”). Subject to the following sentence a Consultation in Writing may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders. Pursuant to Articles L.228-46-1 and R.225-97 of the French *Code de commerce* approval of a Consultation in Writing may also be given by way of electronic communication allowing the identification of Noteholders (“**Electronic Consent**”).

Notice seeking the approval of a Consultation in Writing (including by way of Electronic Consent) will be published as provided under Condition 15 not less than 15 days prior to the date fixed for the passing of such Consultation in Writing (the “**Consultation Date**”) on first notice and 10 days prior to the Consultation Date on second notice. Notices seeking the approval of a Consultation in Writing will contain the conditions of form and time-limits to be complied with by the Noteholders who wish to express their approval or rejection of such proposed Consultation in Writing. Noteholders expressing their approval or rejection before the Consultation in Writing Date will undertake not to dispose of their Notes until after the Consultation Date.

A Consultation in Writing will be deemed to have been approved if, on first notice, (i) Noteholders expressing their approval or rejection of such proposed Consultation in Writing hold at least one fifth of the principal amount of the Notes then outstanding and (ii) Noteholders expressing their approval hold at least 66.6 per cent. of such quorum.

If such quorum is not met, a Consultation in Writing will be deemed to have been approved if, on second notice, Noteholders expressing their approval represent at least 66.6 per cent. of principal amount of the Notes held by Noteholders expressing their approval or rejection of such proposed Consultation in Writing.

(b) **Information to Noteholders:**

Each Noteholder or Representative thereof will have the right, during the 15-calendar day period preceding the holding of each General Meeting on first convocation and Consultation Date on first notice, and during the 10-calendar day period preceding the holding of each General Meeting on second convocation and Consultation in Writing on second notice, to consult or make a copy of the text of the resolutions which will be proposed and of the reports prepared in connection with such resolutions, all of which will be available for inspection by the relevant Noteholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents during

usual business hours or at any other place specified in the notice of the General Meeting or Consultation in Writing.

(c) **Expenses:**

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and seeking of a Consultation in Writing and, more generally, all administrative expenses resolved upon by the General Meeting or in writing by the Noteholders, it being expressly stipulated that no expenses may be imputed against interest payable under the Notes.

(d) **Single Masse:**

The holders of Notes of the same Series, and the holders of Notes of any other Series which have been assimilated with the Notes of such first mentioned Series in accordance with Condition 14, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all such Series.

(e) **One Noteholder:**

If and for so long as the Notes of any Series are held by a single Noteholder and unless a Representative has been appointed in relation to such Series, such Noteholder shall exercise all powers, rights and obligations entrusted to the Masse by the provisions of Condition 11. The Issuer shall hold a register of the decisions taken by the sole Noteholder and shall make them available, upon request, to any subsequent holder of any of the Notes of such Series.

(f) **Benchmark Discontinuation:**

By subscribing the Notes and solely in the context of a Benchmark Event which leads to the application of a Benchmark Amendment, each Noteholder shall be deemed to have agreed and approved any Benchmark Amendments or such other necessary changes pursuant to Condition 5(c)(iii)(D).

For the avoidance of doubt, in this Condition 11, the term “**outstanding**” shall not include those Notes subscribed or purchased by the Issuer in accordance with applicable laws and regulations that are held by it and not cancelled.

12 Final Terms

These Conditions may be completed in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

13 Replacement of definitive Notes, Receipts, Coupons and Talons

If, in the case of any Materialised Bearer Notes, a Definitive Materialised Bearer Note, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for the purpose and notice of

whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Bearer Note, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Bearer Notes, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Bearer Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

14 Further Issues and Consolidation

- (a) **Further Issues:** The Issuer may, without the consent of the Noteholders, Receiptholders or Couponholders create and issue further Notes to be assimilated (*assimilables*) and form a single series with the Notes provided such Notes and the further Notes carry rights identical in all respects (or in all respects save for the principal amount thereof and the first payment of interest specified in the relevant Final Terms) and that the terms of such Notes provide for such assimilation and references in these Conditions to “Notes” shall be construed accordingly.
- (b) **Consolidation:** The Issuer, with the prior approval of the Consolidation Agent, may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than 30 calendar days’ prior notice to the Noteholders in accordance with Condition 15, without the consent of the Noteholders, Receiptholders or Couponholders, consolidate the Notes of one Series with the Notes of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in euro, provided such other Notes have been redenominated in euro (if not originally denominated in euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

- (a) **Governing Law:** The Notes (and, where applicable, the Receipts, the Coupons and the Talons) are governed by, and shall be construed in accordance with, French law.
- (b) **Jurisdiction:** Any claim against the Issuer in connection with any Notes, Receipts, Coupons or Talons may be brought before any competent court within the jurisdiction of the registered office of the Issuer.

TEMPORARY GLOBAL CERTIFICATES ISSUED IN RESPECT OF MATERIALISED BEARER NOTES

Temporary Global Certificate

A Temporary Global Certificate, without interest Coupons, will initially be issued in connection with Materialised Bearer Notes. Upon the initial deposit of such Temporary Global Certificate with a common depositary for Euroclear and Clearstream (the “**Common Depositary**”), Euroclear or Clearstream will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depositary may also (if indicated in the relevant Final Terms) credit the accounts of subscribers with other clearing systems through direct or indirect accounts with Euroclear and Clearstream held by such other clearing systems with a nominal amount of Notes. Conversely, a nominal amount of Notes that is initially deposited with any clearing system other than Euroclear or Clearstream may similarly be credited to the accounts of subscribers with Euroclear or Clearstream.

USE OF PROCEEDS

The net proceeds of the issue of the Notes will be used by the Issuer either:

- for the Issuer's general corporate purposes; or
- as stated in the relevant Final Terms, in the case of issue of green, social or sustainability Notes, to finance or re-finance, in part or in full, new and/or existing (i) eligible green projects, (ii) eligible social projects or (iii) sustainability projects (being a combination of both green and social projects); or
- as stated in the relevant Final Terms, in respect of any particular issue of Notes for which there is a particular identified use of proceeds.

In respect of green, social or sustainability Notes, the Issuer will make available the relevant framework on its website on or before the issue of such Notes. RECENT DEVELOPMENTS

On 27 March 2020, EssilorLuxottica has published the following press release:

“Trading Update on COVID-19

Outlook 2020 Withdrawn

Charenton-le-Pont, France (March 27, 2020 – 7:00am) – EssilorLuxottica announces that in light of the evolving COVID-19 pandemic, the Company's outlook for 2020 published on March 6, 2020 is no longer valid.

In January and February, the company delivered solid growth, in line with its full year targets. Business conditions began deteriorating in March as the virus shifted from impacting predominantly China to entire regions of Europe and North America. During the second quarter, the Company expects revenue to further decelerate with a material impact on profitability. At present, the Company has insufficient visibility to provide an assessment of the full scope of COVID-19 impact, as the situation remains volatile.

As of today, Essilor has temporarily closed all its industrial sites in France. Production continuity is ensured thanks to the company's worldwide network of interconnected plants and laboratories. This includes all production facilities in China, which are now back to full speed and have spare capacity. E-commerce activities are growing with no back orders.

Luxottica's manufacturing plants have temporarily suspended their activity in Italy and other smaller locations, while they are back to normal levels in China. Stores in Europe and North America are complying with the temporary lockdown measures that local governments are putting in place, while Company's e-commerce platforms continue to operate globally.

EssilorLuxottica and the two operating companies are implementing a contingency plan including cost and cash control measures, putting on hold non-crucial investment initiatives and rightsizing global capacity to meet current demand levels.

EssilorLuxottica is a global leader in the design, manufacture and distribution of ophthalmic lenses, frames and sunglasses. Formed in 2018, its mission is to help people around the world to see more, be more and live life to its fullest by addressing their evolving vision needs and personal style aspirations. The Company brings together the complementary expertise of two industry pioneers, one in advanced lens technology and the other in the craftsmanship of iconic eyewear, to set new industry standards for vision care and the consumer experience around it. Influential eyewear brands including Ray-Ban and Oakley, lens technology brands including Varilux® and Transitions®, and world-class retail brands including Sunglass Hut and LensCrafters are part of the EssilorLuxottica family.

In 2019, EssilorLuxottica had over 150,000 employees and consolidated revenues of Euro 17.4 billion.

The EssilorLuxottica share trades on the Euronext Paris market and is included in the Euro Stoxx 50 and CAC 40 indices.

On 24 April 2020, EssilorLuxottica has published the following press release:

“EssilorLuxottica to Prepare for Recovery by Preserving Cash and Supporting Employees

Charenton-le-Pont, France (April 20, 2020 – 7:00am) – EssilorLuxottica announces today further measures to respond to the COVID-19 pandemic and prepare the Company for the recovery to come.

Prescription and optical activities, which account for about 70% of Company revenue, are driven by structural worldwide needs for better vision. Experience from previous economic downturns suggests that prescription purchases will be delayed during the crisis, but not cancelled. Thanks to its mission to help people see more, be more and live life to its fullest, the Company is fully equipped to meet the resilient pent-up demand which is likely to materialise when the economy stabilizes.

With this long-term view, EssilorLuxottica aims to manage a temporary decline in activity and protect its balance sheet while preparing itself to seize new opportunities in the eyecare and eyewear industry from the second half of the year onwards.

The Board of Directors decided not to submit any dividend distribution to the Annual Shareholders' Meeting of June 25, 2020. It will further assess the state of the business in the second half of the year and the efficacy of all the measures undertaken to face the COVID-19 outbreak. If the recovery is solid enough, the Board of Directors may propose a special dividend payment before the end of 2020.

The Board of Directors also asked the management team to work on a series of measures aimed at reducing operating and cash expenses within the Company, including the reduction or deferral of parts of its managers' compensations. The Board of Directors voted to apply the latter measure to its own members by reducing their attendance fees by 50%.

Finally, in line with the historical values of Essilor and Luxottica, the Board of Directors approved the launch of a Euro 100 million COVID-19 fund to protect the Company's human capital. This fund will support employees and their families in need.

On 5 May 2020, EssilorLuxottica has published the following press release:

“Good resistance for the first quarter with revenue down 10%

Taking measures to control costs and preserve cash

Preparing for recovery and delivering on our responsibilities to all

- **Solid growth up to February, followed by material declines in March due to COVID-19**
- **Optical business less affected, Online sales up double digits**
- **Robust balance sheet and liquidity with Euro 4.9 billion in cash and short-term investments**
- **Positioned for recovery with strong product pipeline and go to market strategy**
- **Enhanced corporate citizenship to support communities, employees and customers**

Charenton-le-Pont, France (May 5, 2020 – 7:00am) – EssilorLuxottica today announced that consolidated revenue for the first quarter of 2020 totalled Euro 3,784 million, representing a year-on-year decline of 10.1% compared to Q1 2019 revenue (-10.9% at constant exchange rates¹), revealing good resistance in the current unprecedented global crisis.

“The market is going through an unprecedented crisis and we have answered the call as a leader with a responsibility to everyone whose lives we touch. Leading by example during the COVID-19 pandemic, we are working hard to keep our employees and their families safe, provide essential vision care for emergency workers on the front lines and do our part to support the customers and partners who make up the lifeblood of our business.

While we are adapting the organization for the few months ahead, early experience from the first countries to open is encouraging. When the crisis fades, the resilient demand for better vision will be visible again and we will be ready to serve it.

The digitally powered network that we have worked hard to build, connecting more than 400,000 optical stores and labs, can now guarantee the best support to our customers and an open door for all consumers even in the most difficult times.

This combination of social and business leadership will strongly help EssilorLuxottica and the entire industry when a wider recovery materializes. Until then, we continue to sharpen our digital assets, feed our consumers’ love for brands and build on our talents”, commented Francesco Milleri, CEO and Deputy Chairman of Luxottica, and Paul du Saillant, CEO of Essilor.

Update on the COVID-19 crisis

EssilorLuxottica entered the COVID-19 crisis with the advantage of a balanced market exposure spanning multiple products, channels, price points and geographies as well as about 70% of revenue exposed to resilient optical prescription needs. Its recent digital transformation has allowed the Company to strengthen its customer and consumer relationships during this downturn through CRM, e-commerce, online learning and social media.

In responding to the crisis, EssilorLuxottica's priority has been to ensure the health and safety of its employees. It swiftly leveraged its strong IT capabilities to implement remote connections with employees, customers and consumers and deliver a functional and productive work-from-home strategy. It launched a Euro 100 million fund to support employees and their families in need and activated emergency pay for its most vulnerable employee population in factories and retail stores. The Company also honored its commitment to social responsibility by donating over two million pieces of personal protective equipment including safety goggles, protective eyewear and face masks to hospitals, public institutions, employees and partners wherever it has local roots.

EssilorLuxottica implemented strict measures to secure business continuity, control costs and preserve cash in order to position itself for a successful future:

- The Company relied on its diverse and flexible manufacturing, logistics and optical lab footprint to provide business continuity despite closures required by government guidelines and adapted the capacity utilization to current demand.
- Costs were quickly controlled through employee furloughs, reductions or deferrals of manager compensation, suspension of marketing expenses and negotiations with suppliers and landlords.
- Cash was preserved thanks to the cessation of share buybacks, the decision not to propose a dividend distribution to the Annual Shareholders' Meeting and the suspension of all non-crucial investments.
- New acquisitions and partnerships were put on hold until the economy stabilizes.

Although group revenue has declined further in April, worldwide needs for better vision are structural and likely to fuel pent-up demand when the crisis fades, leading optical to be one of the first essential categories to restart. For instance, online sales staged an acceleration since March, when they reached 7% of group revenue versus 5% for the quarter, and they increased further in April. In the first countries to reopen, domestic sales of prescription products have regained momentum since the end of March. In China, domestic sales of prescription lenses returned to year-on-year growth since the end of April, even though total sales were still down. The Company is prepared for wider recovery with a pipeline of innovative branded products well suited to the new environment.

The first quarter of 2020 was marked by solid trends until March, followed by a rapid decline in most markets due to store closures related to the COVID-19 pandemic. Given the Company's reliance on eye exam activity and retail traffic, activity slowed across all divisions and geographies where social distancing measures were enacted.

Lenses & Optical Instruments

The Lenses & Optical Instruments division saw revenue decline by 5.1% (-5.8% at constant exchange rates¹). This resilient performance was adversely affected by closures of optical retail outlets across North America, Latin America, Europe and Asia, most of which have continued in April. However, market activity started a gradual recovery from early March in China as reopening began. E-commerce activity has strengthened since March as consumers have continued to complete optical purchases of both eyeglasses and contact lenses online. The global roll-out of innovation from the Company's product pipeline was postponed but is ready to resume upon broader market reopening, including Transitions Signature GEN 8, AVA lenses for better accuracy and the successful Vision-R 800 measuring instrument.

Sunglasses & Readers

The Sunglasses & Readers division reported revenue down 19.3% (-20.5% at constant exchange rates¹). The current scope includes Xiamen Yarui Optical (Bolon) and MJS, which operate mainly in China, and FGX, which operates primarily in North America.

While the year started well for all three businesses, Xiamen Yarui Optical (Bolon) and MJS were impacted by the COVID-19 related lockdowns in China from late January. Their decrease gradually subsided from mid-March with the optical prescription category outperforming sun, which has been much slower so far in the recovery. FGX was impacted by the lockdowns in Europe and the United States from March. Online sales for the division posted double-digit growth in the first quarter.

Equipment

The Equipment division reported a decrease of 12.9% in revenue (-14.4% at constant exchange rates¹). First quarter dynamics carried over from 2019 in most markets ahead of the COVID-19 impact. In response to the crisis customers took steps to shore up near term supplies, which positively impacted consumable sales, and postponed new orders of machine equipment pending a stabilization in market conditions.

Wholesale

In the first quarter of the year, Luxottica Wholesale posted Euro 695 million revenue, with a 19.8% decline versus the same period of last year at both current and constant exchange rates¹. The division's performance sharply deteriorated in March, when more than two thirds of the Company's customers shut down stores worldwide and foot traffic in the remaining locations collapsed. In the

quarter, all the regions were equally down and the positive price mix, the consolidation of Barberini and the integration of Costa into Luxottica's brand portfolio (included in 2019 revenue on a restated basis) could not materially offset the sales decline due to COVID-19. In terms of mix, the prescription business proved to be more resilient than sunglasses. Third-party e-commerce platforms recorded solid growth, in particular in North America where sales were up double digit.

Retail

Luxottica Retail recorded Euro 1,327 million revenue, down year-on-year 9.0% at current and 10.3% at constant exchange rates¹. The division posted a strong start to the year in January-February with sales up 8.0% (+5.5% at constant exchange rates¹) and then experienced a visible contraction in March as the lockdown measures and mobility restrictions introduced in most of the countries took effect. These restrictions forced the Company to enact massive store closures and caused material traffic decline in the locations that were still operating. The unprecedented situation led to the closure of approximately one third of Luxottica's retail optical stores and most of the sun locations on a global scale at the end of the quarter. Retail optical in North America and Australia-New Zealand proved to be relatively less affected, down low-to-mid single digit in sales at constant exchange rates¹ in the quarter after a strong performance in January-February. This was due to a later emergence of COVID-19 in those regions as well as the continued essential eyecare the optical networks provided to their clients in need. Luxottica's direct e-commerce was up 14% in the first quarter, with all the major proprietary platforms posting solid growth.

First-quarter 2020 revenue by geographical area

In millions of Euros	1Q 2020	1Q 2019*	Change at constant rates ¹	Currency effect	Change (reported)
North America	2,070	2,188	-8.1%	2.7%	-5.4%
Europe	906	1,056	-14.1%	-0.2%	-14.3%
Asia, Oceania and Africa	587	705	-16.4%	-0.4%	-16.8%
Latin America	222	261	-6.8%	-8.1%	-14.9%
Total	3,784	4,210	-10.9%	0.8%	-10.1%

* The geographical breakdown of 2019 revenue has been revised to reflect a reclassification of certain geographic markets, which the Group considers immaterial.

North America

In North America revenue decreased by 5.4% (-8.1% at constant exchange rates¹).

Essilor revenue proved resilient in this context with a decline of 4.7% at constant exchange rates¹. The Lenses & Optical Instruments division experienced steady trends across the US and Canada until the middle of March, after which it was negatively impacted by store closures. In response to the crisis, the division rapidly adjusted its cost base and supply chain and has leveraged its alliance network to provide support for independent eyecare professionals, while getting ready for the recovery when it comes.

Online sales continued to expand with eyeglasses and contact lenses driving the performance. EyeBuyDirect and Clearly saw record sales growth in April with a strong inflow of new customers.

Sunglasses & Readers sales were down mid-single digit for the quarter despite a strong start to the year. FGX declined sharply in the second half of March with readers proving more resilient than sunglasses in the downturn.

The Equipment division saw a slightly later onset of COVID-19 related weakness as its primary customers began to reduce activity along a different timeline.

For Luxottica, North America had a solid start in January-February, with sales up 7% at constant exchange rates¹, in further acceleration versus the strong trend of the fourth quarter 2019. Business deterioration started in March when the COVID-19 outbreak reverted the trend.

Wholesale had a promising start to the year driven by independents and key accounts as well as the strong performance of Oakley, then stalled in March when most customers began to close their doors due to the pandemic.

Retail turned negative as well, as one-third of the group's optical retail stores and all Sunglass Hut and Oakley locations shut down from mid-March and traffic into open stores was drying up. Strong signs of business health in January-February, with LensCrafters and the overall retail optical network up mid- to high-single digit in sales, were erased by the sharp contraction of March. Luxottica's directly operated e-commerce platforms were up double digit, mostly thanks to Ray-Ban.com and SunglassHut.com performance.

The sound trajectory of the optical retail business in North America before the COVID-19 outbreak in the region is a source of confidence for the Company. When the economy stabilizes and restarts, given optical retail's nature of primary non-discretionary service, it will be ready to serve the wide pent-up demand.

Europe

In Europe revenue decreased by 14.3% (-14.1% at constant exchange rates¹).

Essilor revenues were down 6.7% at constant exchange rates¹.

In Lenses and Optical instruments, the business was boosted by the successful launch of Transitions Signature GEN 8 in Italy, Spain and the UK in the earlier part of the year. In March, Italy, France and Spain were among the most impacted countries whereas Eastern Europe resisted better. Online sales delivered double-digit growth driven by contact lenses and prescription solutions throughout the first quarter, with a visible acceleration in March. Vision Direct, Europe's largest online contact lens supplier, experienced a surge in spontaneous new buyers in March with no additional client acquisition cost. Instruments followed the same trend as the lens business but interest for new products such as the Vision-R 800 phoropter remained strong.

Sunglasses & Readers sales started the year with double-digit growth but were severely impacted in March, especially in Italy and the UK.

The Equipment division started to see a decline in sales at the beginning of March. Demand for consumables benefitted from pre-lockdown inventory build-ups. Demand for surfacing and coating machines stabilised at a subdued level.

For Luxottica, Europe was the most affected region by the COVID-19 outbreak, with negative trends similarly affecting both Retail and Wholesale. The weakness of the region was worsened by a difficult year-on-year comparison for both the divisions.

With the exception of Germany, Turkey and Russia, the Wholesale division suffered from material slowdown in sales in every market, as business conditions progressively worsened in March, severely hitting key markets like Italy, Spain and France (where the new reimbursement regulation introduced at the beginning of this year also weighed heavily).

The marked decrease in Retail sales was attributable to the social distancing measures progressively implemented by the European countries in March. At the end of the quarter, in Italy, most Salmoiraghi & Viganò stores were operating with ample limitations in terms of opening hours, while all Sunglass Hut locations in Europe were closed.

Asia, Oceania and Africa

In Asia, Oceania and Africa, consolidated revenue contracted by 16.8% (-16.4% at constant exchange rates¹).

After a strong first few weeks of the year, Essilor's Lenses and Optical Instruments division saw a swift contraction in revenue at the end of January, as the region was the first one to be hit by the COVID-19 pandemic. Revenue in China troughed in mid-February with high double-digit declines as the country's lockdown took its toll, before starting a gradual recovery from March. Domestic sales of prescription lenses have returned to year-on-year growth since the end of April. Anti-fatigue and blue-cut products proved more resilient in this volatile environment, boosted by home working and increased screen time. The launch of Transitions Signature GEN 8 in China was postponed to the second quarter. Revenue in the rest of the region started to deteriorate markedly in March with South East Asia, India and South Korea particularly affected while Japan and Australia proved more resilient.

The Sunglasses & Readers division experienced a sharp decline in revenue from end of January. At the peak of the Chinese lockdowns in mid-February, sales were down by high double-digit percentages. Since then, a gradual recovery has materialized, with prescription activities outperforming sun and wholesale outperforming retail. Within retail, although most stores have reopened, post COVID-19 consumers have shown a preference for high-street shopping over shopping malls. These trends have led Xiamen Yarui Optical (Bolon) to fare better than MJS in the recovery so far.

For Luxottica too, Asia, Oceania and Africa was the first region to experience a contraction in both the Wholesale and Retail divisions. Trends progressively deteriorated towards the end of the quarter, with all countries in negative territory in March.

The Wholesale division experienced weak trends in Greater China and Japan for most of the quarter, while trading conditions in South Korea, Southeast Asia and Middle East worsened at the end of the quarter.

In the Retail division, store closures peaked in Greater China around mid-February, while locations in Australia, New Zealand, South East Asia and South Africa were partly affected by shutdown measures starting from the second half of March. In terms of sales trends, Australia and New Zealand started the year on a positive note, with a nice progression in January-February. On the other hand, sales in Greater China posted sequential improvement, remaining subdued even after lockdowns were lifted.

Latin America

In Latin America, sales decreased by 14.9% (-6.8% at constant exchange rates¹).

At Essilor, sales in the region finished the quarter up by 1.9% at constant exchange rates¹ thanks to brisk activity in Mexico, Chile, Costa Rica, Brazil and others ahead of COVID-19 related closings. These highly positive trends were disrupted in mid to late March as stores closed and retail traffic slowed significantly. Recovery efforts are underway to develop consumer outreach programs to encourage a return to optical stores, drive additional myopia solutions enabled by the recent Miraflex acquisition and support lab and retail partners.

For Luxottica, the Latin America region experienced an overall positive trend in January-February, enduring the negative impacts of lockdown measures only towards the end of the quarter.

The Wholesale division suffered from adverse trends in both Brazil and Mexico, challenged further by a difficult comparison base in particular for Brazil.

As for Retail, the division drove the overall business expansion in the region during the first two months of the year, which were double-digit positive in sales. Trading conditions progressively worsened towards the end of March, with almost all the retail locations in the region closed at the end of the quarter, Mexico being the only market with a store base partially operating.

Eliminating poor vision around the world

EssilorLuxottica expanded its efforts to create sustainable access to vision care reaching over 345 million people. During the first quarter alone, it helped deliver vision solutions to over 1.9 million wearers at the base of the pyramid through its efforts to eliminate poor vision from the world by 2050.

While the COVID-19 situation has slowed progress through the suspension of its inclusive business expansion and charitable clinics, Essilor has tapped into the influence of its rural network of primary vision care providers to raise awareness among their communities about social distancing, hand washing and keeping safe during the pandemic.

Before the virus outbreak, Essilor signed an official partnership with hiring company Truck Lagbe enabling truck drivers in Bangladesh to visit Eye Mitras or attend screening events to get eye tests and glasses at affordable rates. Essilor also announced, together with The Fred Hollows Foundation and other partners, the expansion of the “See Now” campaign in Uttar Pradesh, India, in February. “See Now” will reach 200 million people with messaging around eye health and offer free eyecare to 400,000 people in Uttar Pradesh. In China, Essilor drove discussions on myopia with government officials, academics and other key opinion leaders, and unveiled the China findings of its “Eliminating Poor Vision in a Generation” report at a leading national health forum. As a result of these efforts and more, Essilor was recognized by change makers at the World Economic Forum in Davos through several feature stories and reports.

In the first quarter, Luxottica, through its support for OneSight, an independent non-profit organization of which the group is the founding sponsor, served over 8,800 patients across 7 charitable clinics and 177 sustainable centers around the world. OneSight ran clinics in locations such as Bangladesh, Australia, New Zealand and the United States and opened 7 new sustainable vision centers in Rwanda in Q1.

Finally, EssilorLuxottica took the 4th spot in the Impak French 40 ranking, which rates CAC 40 companies according to their impact on society and the environment.

Eyewear license renewals

In the first quarter of the year, Luxottica announced the early ten-year renewal of exclusive license agreements with Dolce & Gabbana and Versace, for the development, production and worldwide distribution of sunglasses and prescription frames under the Dolce & Gabbana and Versace brands, respectively. Both agreements are scheduled to expire on December 31, 2029.

Synergies and integration

Many integration projects continued unabated during the crisis, including the creation of a single IT platform and of a single network of prescription laboratories across the Company. A few revenue synergy projects were temporarily delayed, such as the penetration of Essilor lenses within the Company’s own retail networks or the availability of prescription products under the Ray-Ban brand. However, the environment also created opportunities for deeper cooperation between Essilor and Luxottica on a range of topics from procurement to joint key account programs, joint sales protocols and deeper online integration.

Liquidity

The Company ended the quarter with Euro 4.9 billion in cash and short-term investments and a net debt of Euro 4.8 billion (including IFRS 16 – Leases liabilities). In addition, the Company has undrawn credit facilities of Euro 5.2 billion.

Dividend

The Board of Directors decided not to submit any dividend distribution proposal to the Annual Shareholders' Meeting of June 25, 2020. It will further assess the state of the business in the second half of the year and the efficacy of all the measures undertaken to face the COVID-19 outbreak. If the recovery is solid enough, the Board of Directors may propose a special dividend payment before the end of 2020.

Outlook

As announced on March 27, 2020 the Company's outlook for 2020, initially published on March 6, 2020 is no longer valid. At present, the Company has insufficient visibility to provide an assessment of the full impact of COVID-19 on its future activity, as the situation remains volatile. It is however likely that second quarter revenue and profitability will still be negatively impacted by the crisis, and more severely so than in the first quarter.

Conference call

No conference call will be held following the first quarter trading update.

Management is closely monitoring the evolution of the business conditions, in order to assess the impact of the COVID-19 on the next months. As soon as visibility improves, the Company will share its view with the financial market.

General

These selling restrictions may be modified or supplemented by the agreement of the Issuer and the Dealers following a change in a relevant law, regulation or directive. Any such modification or supplement will be set out in a supplement to this Base Prospectus.

No action has been taken in any jurisdiction that would permit a non-exempt offer of any of the Notes, or possession or distribution of the Base Prospectus or any other offering material or any Final Terms, in any country or jurisdiction where action for that purpose is required.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and obtain any consent, approval or permission required for the purchase, offer or sale of Notes under the laws and regulations in force in any jurisdiction in which it makes such purchase, offer or sale and neither the Issuer, nor any other Dealer shall have responsibility therefore.

Each of the Dealers and the Issuer has represented and agreed that Materialised Notes may only be issued outside France.

FORM OF FINAL TERMS

[MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five categories referred to in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer[s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[s/s'] target market assessment) and determining appropriate distribution channels.]¹

[PROHIBITION OF SALES TO EEA AND UK RETAIL INVESTORS - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**") or in the United Kingdom (the "**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive 2016/97/EU (the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the "**Prospectus Regulation**"). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.]²

[SINGAPORE SFA PRODUCT CLASSIFICATION – In connection with Section 309B of the Securities and Futures Act (Chapter 289) of Singapore (the "**SFA**") and the Securities and Futures Act (Capital Market Products) Regulations 2018 of Singapore (the "**CMP Regulations 2018**"), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are [prescribed capital markets products]/[capital markets products other than prescribed capital markets products] (as defined in the CMP Regulations 2018) and [are] [Excluded]/[Specified] Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendation on Investment Products).]³

¹ To be included following completion of the target market assessment in respect of the Notes, taking into account the five categories referred to in item 18 of the Guidelines published by ESMA on 5 February 2018.

² Delete legend if the Notes do not constitute "packaged" products or if a KID will be prepared, in which case, insert "Not Applicable" in paragraph 9(v) of Part B below. Include legend if the Notes may constitute "packaged" products and the Issuer intends to prohibit the Notes being offered, sold or otherwise made available to EEA and UK retail investors. In this case insert "Applicable" in paragraph 9(v) of Part B below.

³ For any Notes to be offered to Singapore investors, the Issuer to consider whether it needs to re-classify the Notes pursuant to Section 309B of the SFA prior to the launch of the offer.
